Not Just Any Year THE BEST

Mr. Seilheimer, Mr. Loney, and Mr. Bale — the three amigos.

Cans, cans, and more cans were gathered by students for the can crusade.

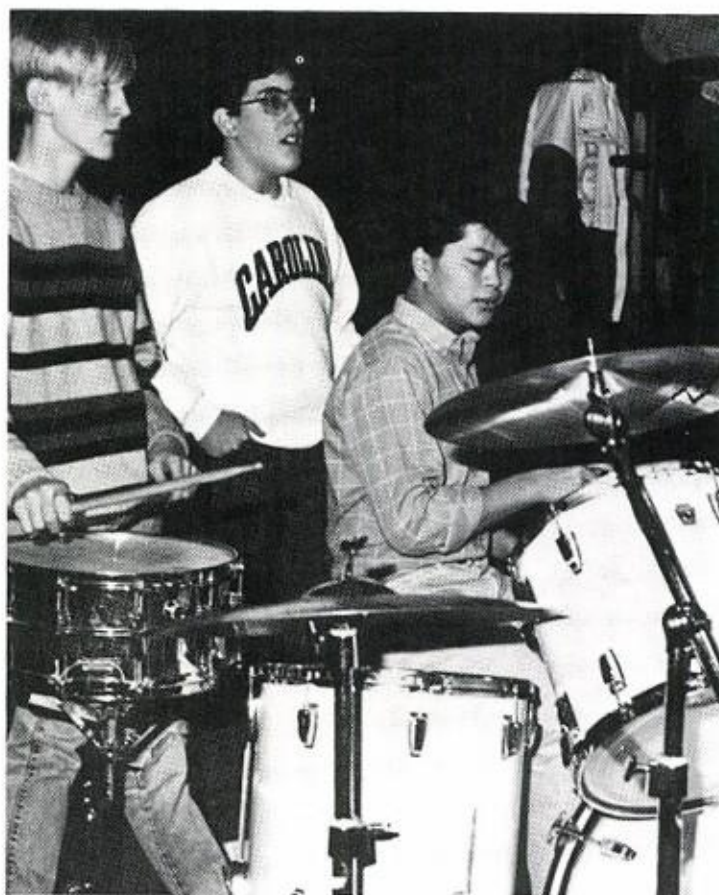

The possibilities, the anticipation, and the inevitable dream
And a chance given for bricks to be put in the wall
Some will survive
Some will not realize
Their wall as it builds around them —
But their searching in heart
Will build and will seek —
The golden brick that will be found and will strengthen
our wall.
— Janel Field

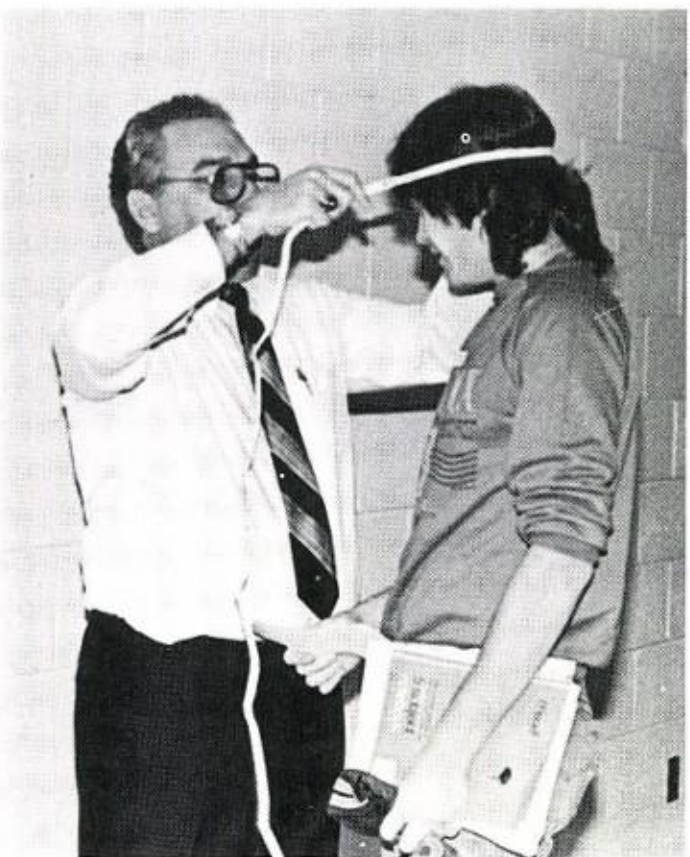

Seniors Dave Powers, Chris Schreur, Doug Heaps, and Amy Poel display their wacky Senior spirit in the '88 quiz bowl.

HOMECOMING

Homecoming proved to be not just another event at PNHS in 1987. This year's theme was Heroes and Villains and students dressed up during the week as gangsters, cowboys, super-heroes, angels and devils. Contests this year included cider guzzling, won by the Seniors, the limbo, won

by the Sophomores, hall decorating, won by the Juniors, and the class yell, won by the Seniors. Other "Homecoming Happenings", such as the bonfire, pep assembly, football game against St. Joe, and dance, combined to make this year's Homecoming a great success.

FADS: HERE TODAY GONE TOMORROW

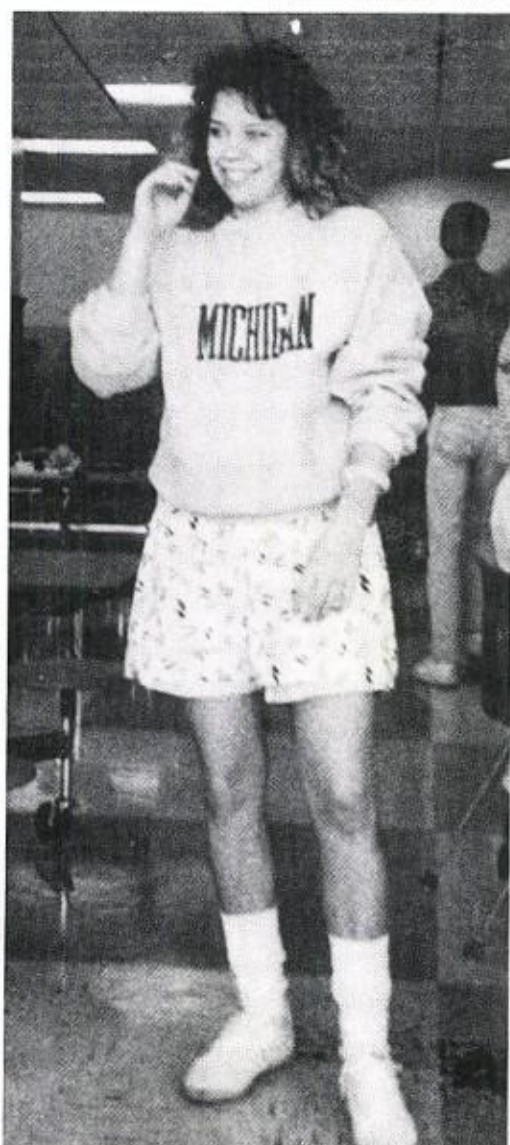

Shannon Greenleaf and Leo Stevenson have the "look".

Fads and fashions come and go at PNHS. Our school has a diverse mix of people whose creative personalities are expressed through the way they present themselves. The fashion statements range from army fatigues to black leather to torn jeans. The baggie look of last year has been replaced with the casual appearance of today.

Charley Hoskin gives us the "bare" facts.

Marching Band

During the fall football spectaculars, after the first half, the real Huskie fans stay in their seats to watch the Portage Northern Marching Band execute graceful moves across the field. Seconds that turned into minutes, hours, days, weeks, months spent under the careful instruction of Mr. Mumma paid off in the end with pride, dignity, and most of all fun.

1. Flag Corps members are: front row: Julie Walkowiak, Emmy Peterson, Janel Field, Deyonna Trice, Liz Kansas, Becky Pirrone, Kim Scott, Amy Wagenfeld, Lori Truax. second row: Michelle Dodd, Jodi Blalock, Richelle Carnes, Cheryl Hess, Julie Ryan, Susan Johnson, Angela Bennett, Amy Lewis, Amy Brown. 9. Mr. Mumma and Mrs. Birdsall enjoy their success.

Fun With Food

SADD, one of the newest organizations at PN, decided to start its own tradition called Student Awareness Week. Along with other activities, the main attraction was the Pie-in-the-Face contest. The victims, who were of the faculty, were elected by the student body. The faculty members who had the most donations were Mr. Kulcsar, Mr. Swoboda, Mr. Loney, and Dr. Howard who had a standing ovation.

A new tradition re-entered Northern this year. Brought back by the Senate, was the jello eating contest. Mr. Seilheimer, the ex-champion, was defeated in '88. Erik Becker now holds the title as "Jello Stallion" at PN. This contest proved to be a fun and successful event for all.

1. Mr. Kulcsar, Mr. Swoboda, Mr. Loney, Dr. Howard, now need their shower for today.
2. Dr. Howard awaits dessert
3. Mr. Swoboda waits for a towel.
4. Dawn Marvin stalks her prey.
5. Mrs. Campbell gets ready to dive into that Jello.
6. Jody Eaton and Andy McFinton are psyched for the jello-rama.
7. Erik Becker holds the title, "Jello Stallion."

Left: The agony of defeat!

Below: Doug Hazzard and Brian Smith battle it out!

Both the Men's and Women's Arm Wrestling proved to be fun-filled events at PNHS this year! Contestants J.J. Lilly, Shawn Preston, Jerry Phelps, Doug Hazzard, and Matt LaLonde were winners of the men's divisions, and Rachel Zimmer, Lisa Wilhite, Carolyn Chung, and Sherry LaDuke were the women's division

winners. Through much strength and determination, this year's arm wrestlers achieved the excitement of this thrilling competition. Helped by the wild cheering of the devoted Northern spectators, and the superb organization by our Student Senate, the Arm Wrestling events were a success in '88.

HALLOWEEN SETS TRENDS IN FASHION

Halloween proved not to be just another frightful day at PNHS this year. Students got in the spirit by dressing up as their favorite monster, cartoon character, movie star, or idol. The award winners this

year were: Kristen Madison, Denny Knoll, Jim Boal, and Kerry Marble. Students weren't the only participants this year because the teachers enjoyed dressing up as well.

1. Faculty members dress up too.

2. Mr. Larry Provancher and students enjoy the day.

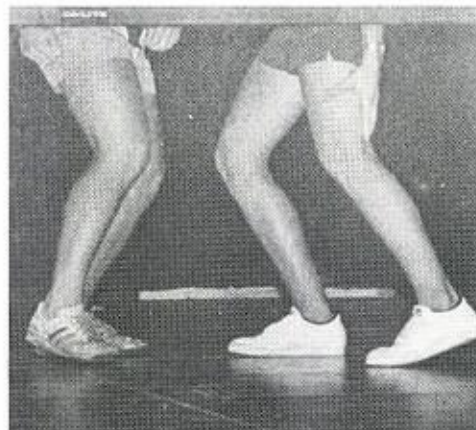

3. Students at PNHS show off their stylish costumes.

4. Chantel Homoki was a scary sight.

5. Love those costumes.

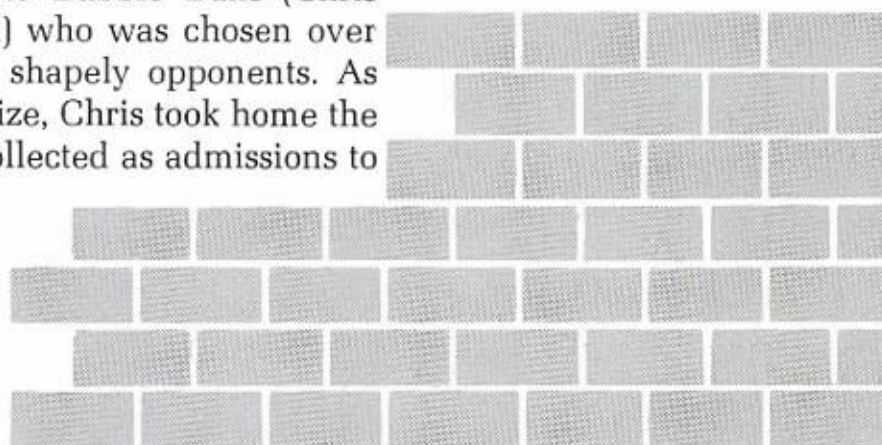

1. Diane Fialkowski and Debbie Kuiper MC the big event. 2. Some worthy competitors. 3. The man with the legs, Chris Lentz.

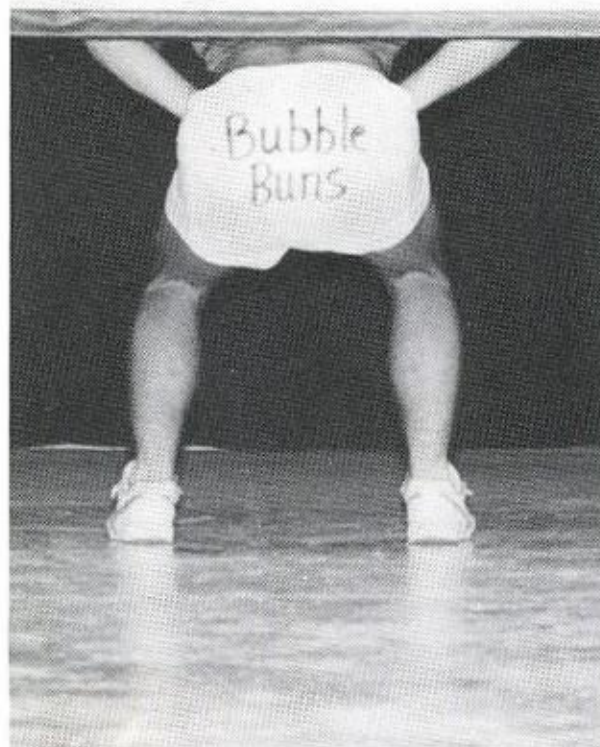

MEN'S LEG CONTEST

Who has the greatest legs at our school this year? The Men's Leg Contest sought to find this person. The honor went to Bubble Buns (Chris Lentz,) who was chosen over many shapely opponents. As his prize, Chris took home the \$45 collected as admissions to

the event. This year's contest proved to be great fun for everyone - contestants and spectators alike.

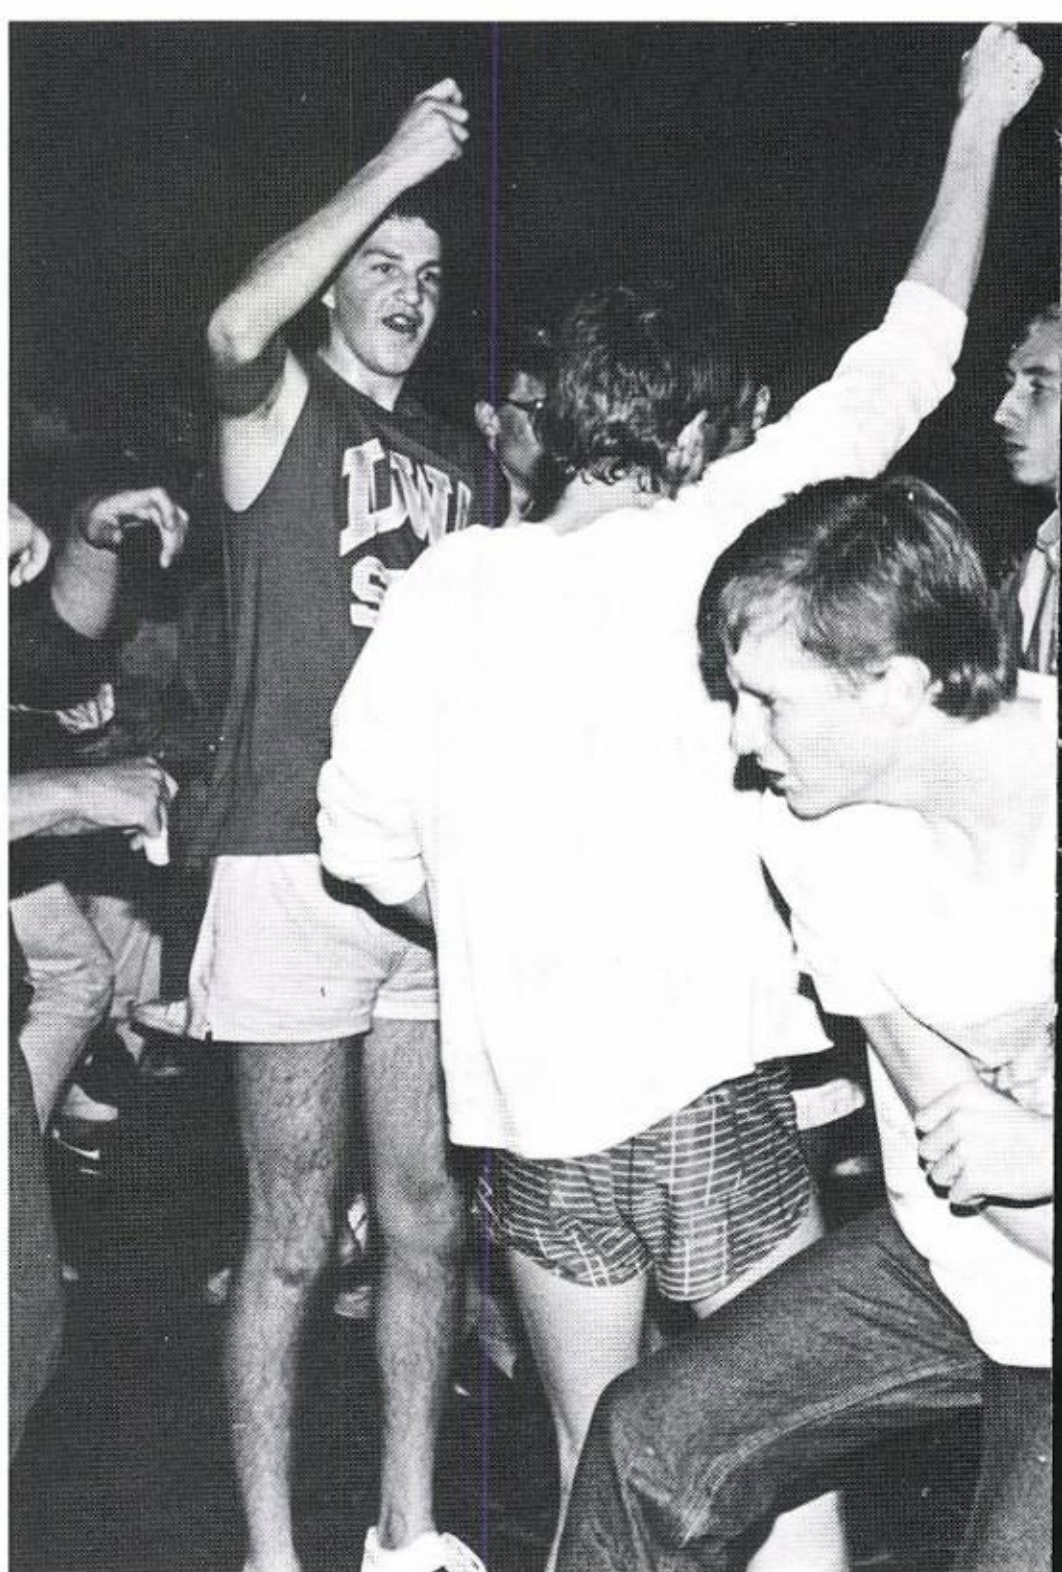

1. Contest judges - a tough job, but someone had to do it! 2. A better shot of the winner.

Dancing

Although dancing has changed over the years, the real meaning for dance has remained the same — to have as much fun as possible. With that thought in mind, the students on this page experienced the thrill of dancing to fast,

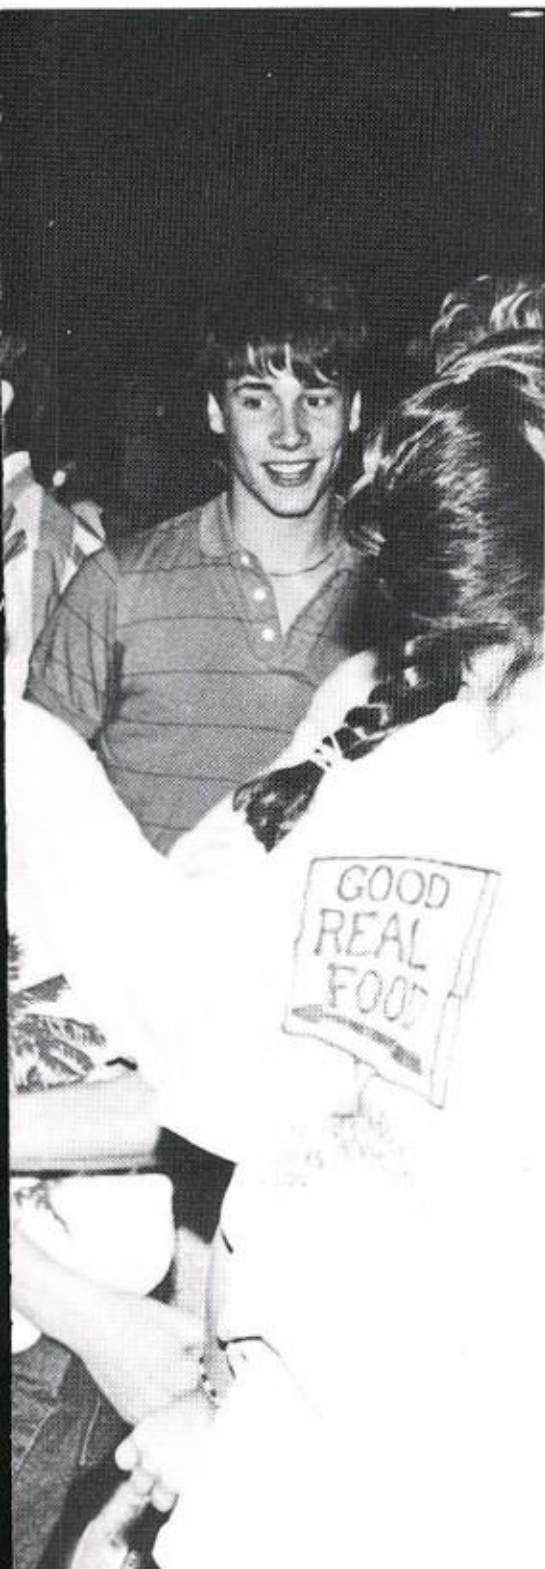

loud and crazy music, and they experienced the joy of dancing to slow, moving and romantic songs.

Some of the dances during the school year were, the casual "Get Acquainted Dance," the semi-formal

"Holiday Dance," and the most formal of all dances, the "Portage Northern Junior/Senior Prom". The students, faculty, and parents who spent their time and effort preparing and chaperoning the dances are well deserving of all our gratitude. Altogether, the multitude of musical melodies moved students together in harmony as they shuffled eloquently under the dim dance lights of the evening.

Ah, a new way to move, maybe?

PEP ASSEMBLY

Fall pep assemblies at Portage Northern are excellent examples of active student life. Students and faculty provide a splendid show of class spirit. Happy cheerleaders, victory-seeking athletes, crazed faculty and proud students fill the gym. All in all, pep assemblies are times when students exhibit school pride and class spirit to better enhance student life at PNHS.

the stands is an important detail of student life. Some of the many memorable moments of high school times come from watching friends cheer for the Huskies at football, basketball, and hockey games. But the best, most memorable experience is when you participate

in cheering the Northern Huskies on to victory. This page is dedicated to those who cheered, and laughed. They are the real students. They are the proud fans. They are the Northern Huskies.

Pippin is a Hit!

This year's musical wasn't just any musical, it was very unique. The performance for this year was the Broadway hit "Pippin". Pippin was one of the biggest choreographed musicals produced at PNHS. The music in Pippin was very modern and the style extremely unusual. Mr. Nemitz was very unsure of the audience's reaction opening night, but as always, the audience proved Mr. Nemitz's uncertainties wrong with their standing ovations. Rehearsals were five days a week, which went on for eight weeks. The nights lasted from seven until nine-

thirty. Some days it lasted until midnight or later. Even though this was a lot of work and time consuming, Mr. Nemitz was proud to say, "The musical was very gratifying." The year of '87 brought much talent to the stage of PNHS. Approximately, fifty students performed in the musical. The talent went from the fabulous leads to the extravagant chorus. However, the talent didn't stop there. The pit crew excellently performed the music. Special thanks to the committees that participated in the musical.

Bread Lift

The Portage Northern Breadlift was, by far, a success, not only for the March of Dimes, but for Portage in general and Northern students in particular. The goal was met and surpassed with flying colors. The students of P.N.H.S. should be proud of this accomplishment.

MERRY X-MAS

This year's Christmas Party was better than ever. Children from a local day care center and Seniors from the Senior Center enjoyed music, food, entertainment, and Mr. and Mrs. Santa Claus, played by Art and Linda Nemitz. Schoolboard member and former teacher Phil Sheldon began the tradition of the Christmas Party ten years ago with the help of Mr. Seilheimer and Mr. Bale. This year the students of Mrs. Barnes and Mrs. Jilek helped with the party. Smiles on each and every face, young and old, made the hard work worthwhile.

Different Bricks Build Crazy Cliques

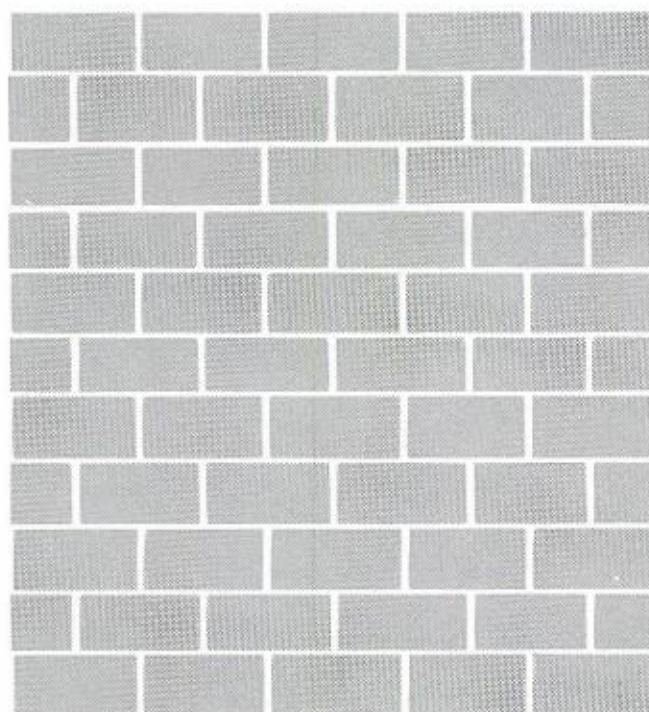

RECOGNITION

Math Talk

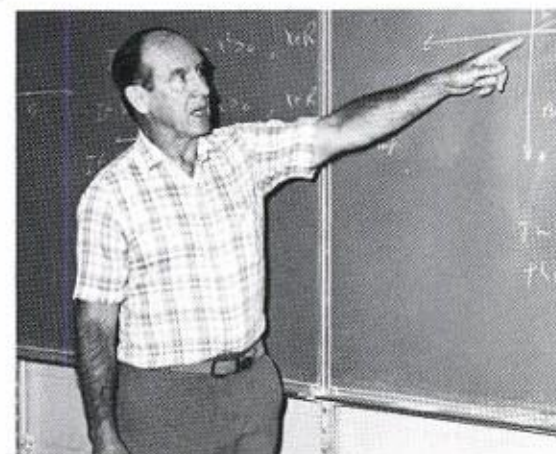

"Switchy-Swatchy"

Math classes at Northern are exciting for students who work well with numbers. Northern has a wide variety of math offerings from Math 9 to Calculus. Math teacher Mr. Kitchen says, "You can look at math as being completely abstract and removed from the world, while at the same time, math is a necessity for reality."

"Switchy-swatchy, hacky-wacky, floppy-floppy," that's math talk!

1. Students in Mr. Kulsar's geometry class enjoy angles. 2. J. J. Lilly ponders the theories of geometry.

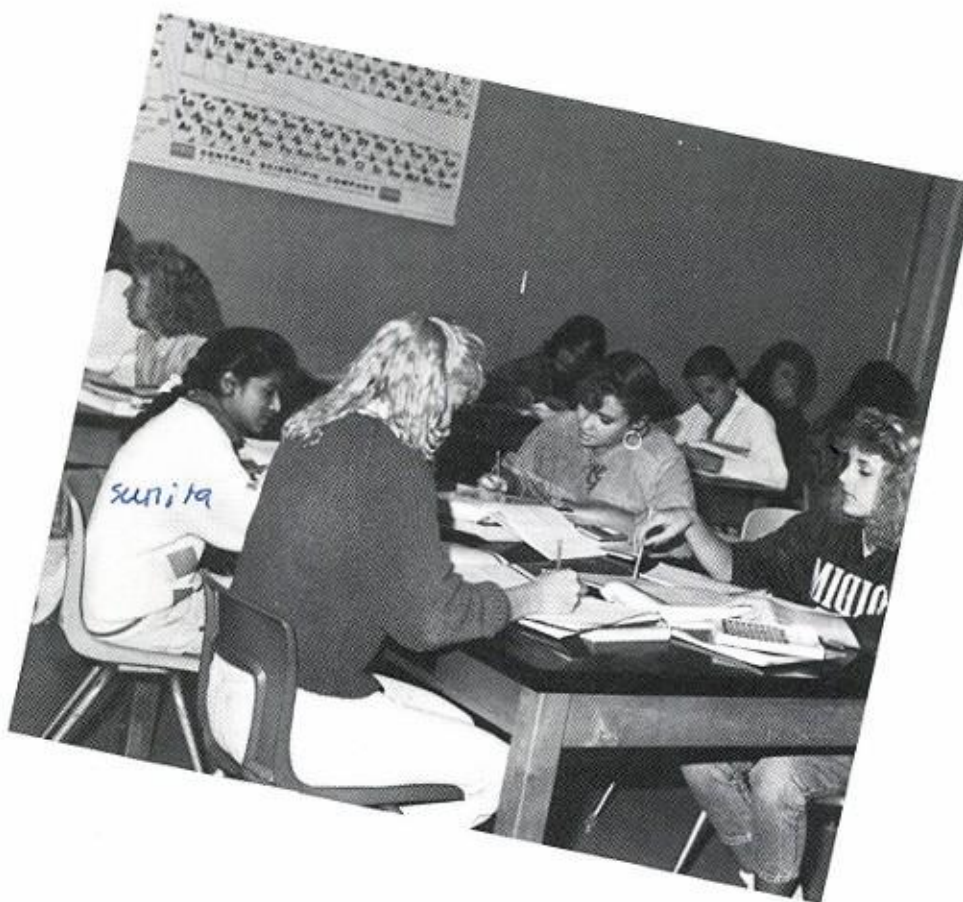

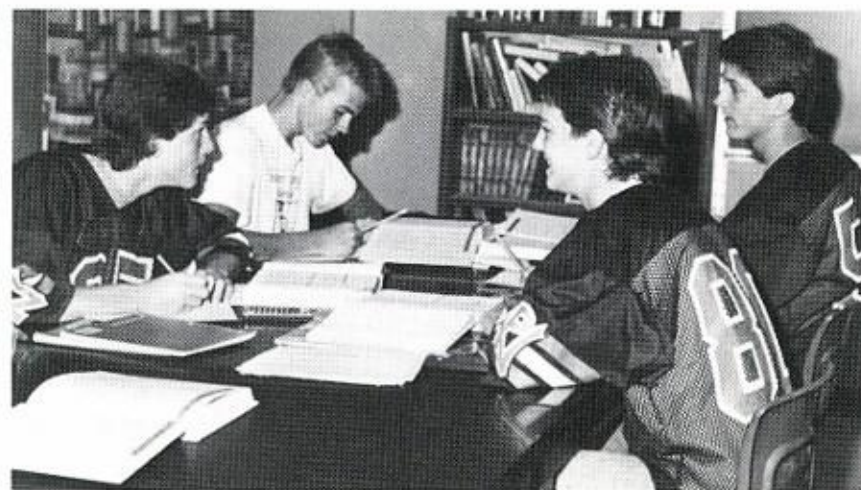

1. Maggie Braden - "While visions of formulas danced in her head."
2. Mr. Kitchen enjoys teaching Math.

1. Mr. Foster fishes for something special in the stream. 2. The boys have fun in chemistry. 3. "Look what I found, Mr. Foster," says John Robbins. 4. Girls muse over chemistry problems.

Science Time!

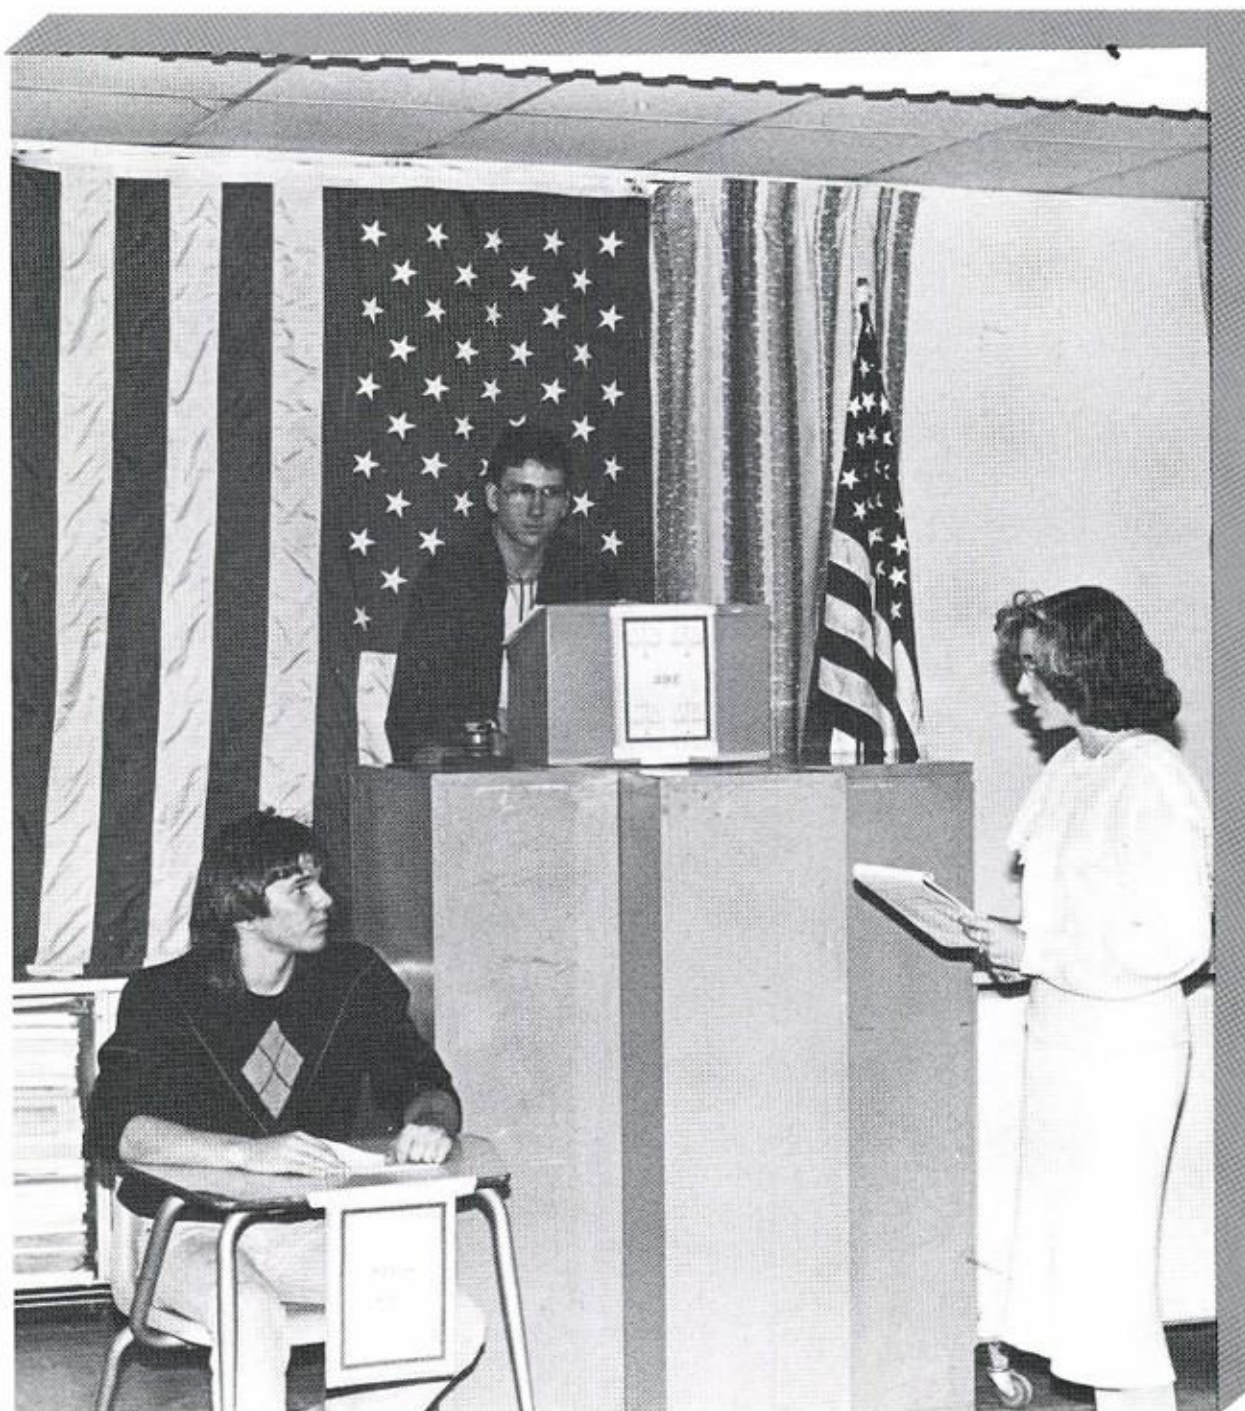

Science classes can be both fun and interesting. Biology classes went on nature walks while chemistry and physical science students found themselves experimenting in the laboratory. Science classes at Northern appeal to many students because they offer so many choices. Many students take more than just the required number of science classes.

Making History

Social Studies is making a history of its own this year. With its wide variety of classes, the most difficult part of Social Studies is choosing a class to take.

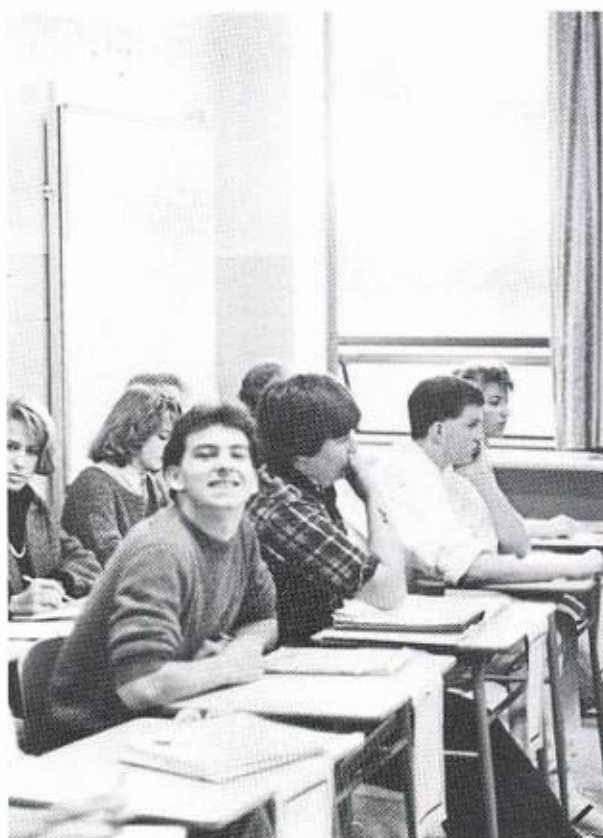

Seniors in Government classes held trials which proved to be both interesting and educational, while Freshmen learned the importance of U.S. history in American Heritage Classes. Other popular Social Studies classes are Western World, 20th Century World, Michigan and the West, Psychology, and Sociology.

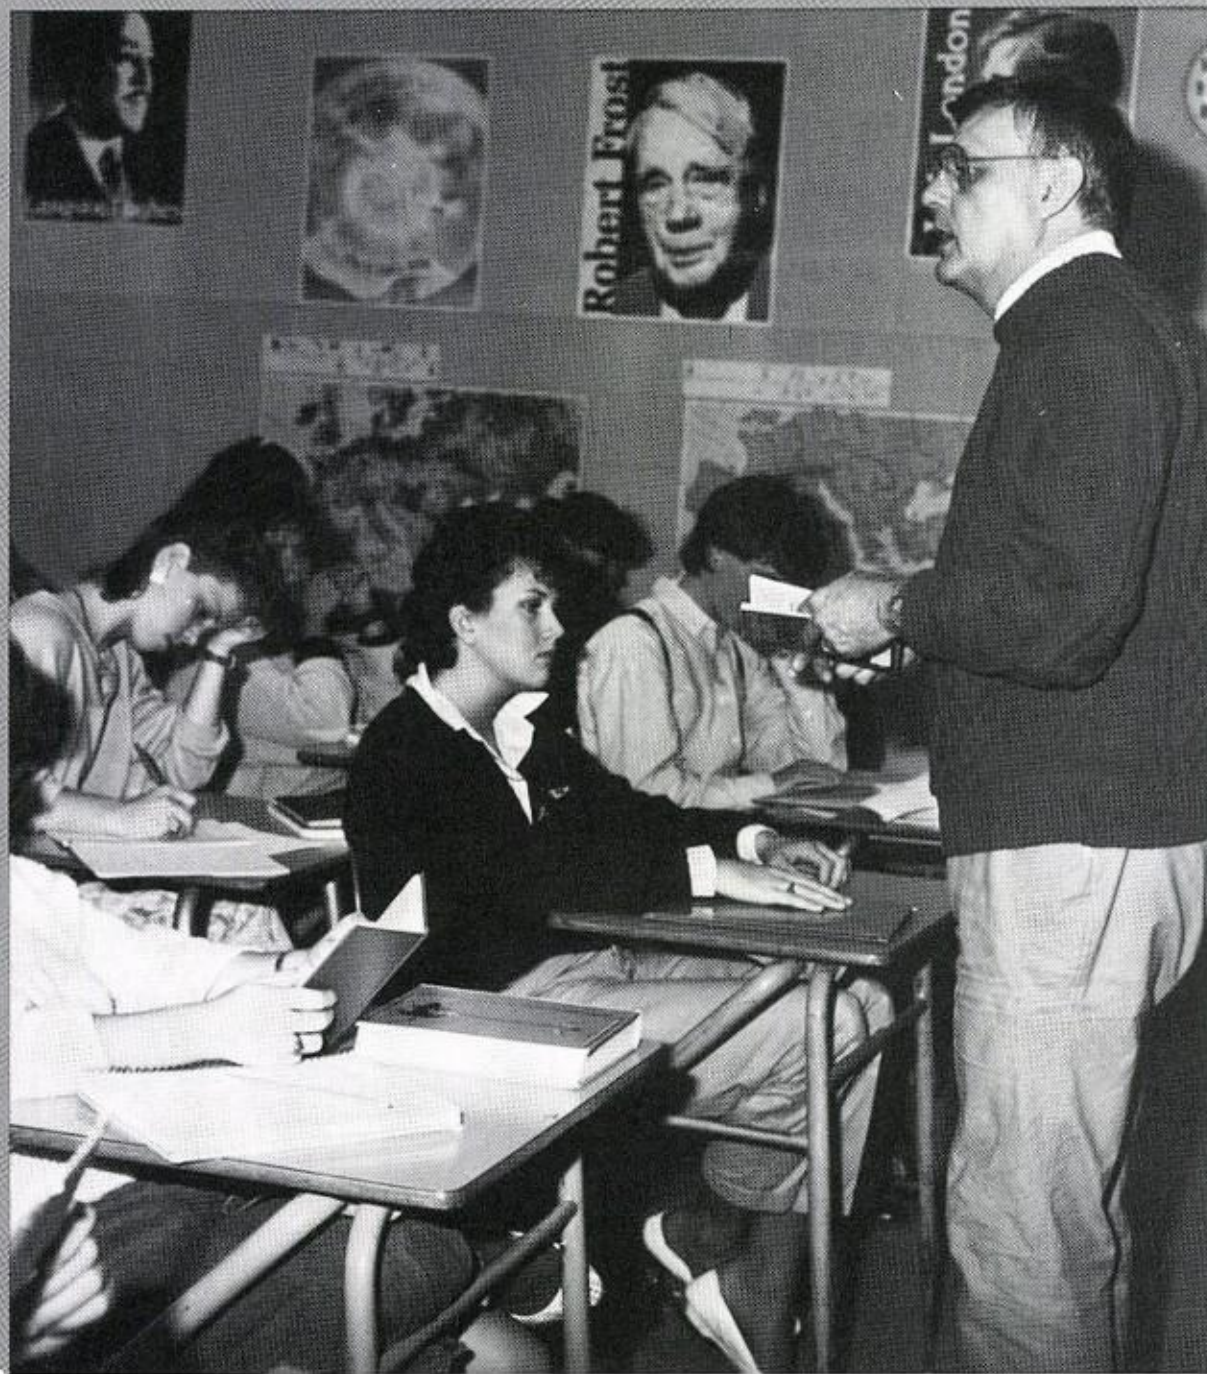

1. Jill Sedden questions Javery Smith during a trial. 2. Students pay attention in Government Class. 3. Laura Greer explains her presentation.

Mr. Rutz smiles at the sight of his next class.

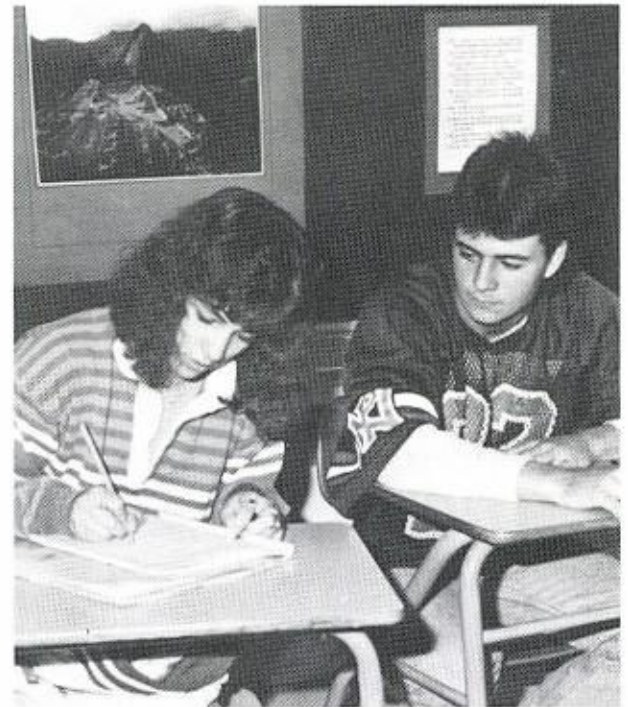

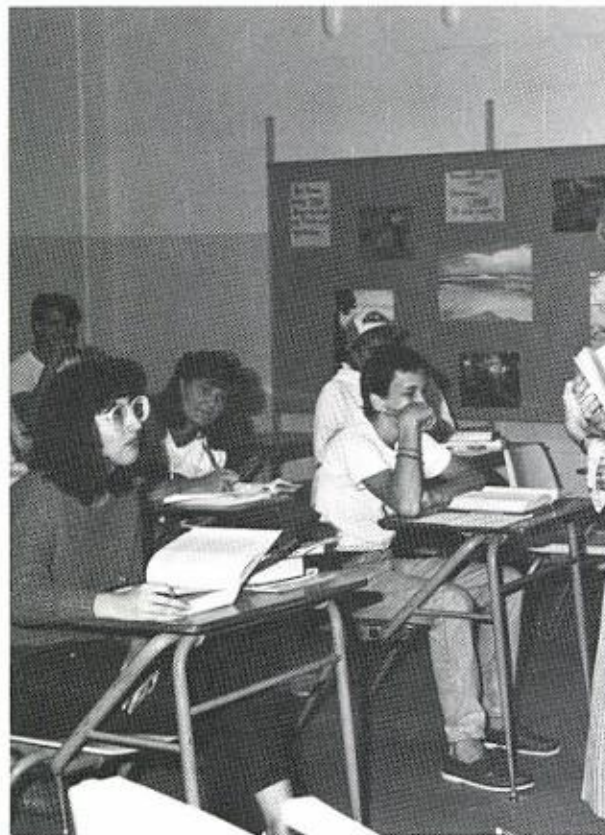

Expanding Horizons

The English Department at PNHS is dynamic and exciting. A wealth of course offerings includes classes such as American and British Lit., composition and creative writing classes, Journalism, Broadcasting, and many more.

This department is headed by Mr. Nemitz and includes many superior teachers who are interested in sharing their knowledge with their students.

1. Mr. Nemitz enjoys literature. 2. Freshmen like their new vocabulary. 3. Literature makes us happy.

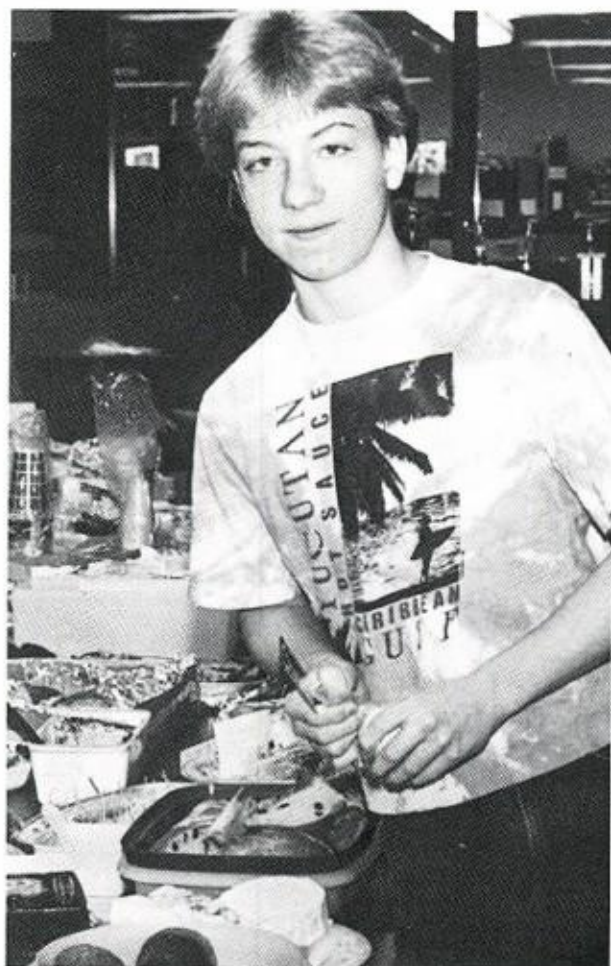

Tom Kronk, Keep your eyes on your own paper!

Love Those Languages

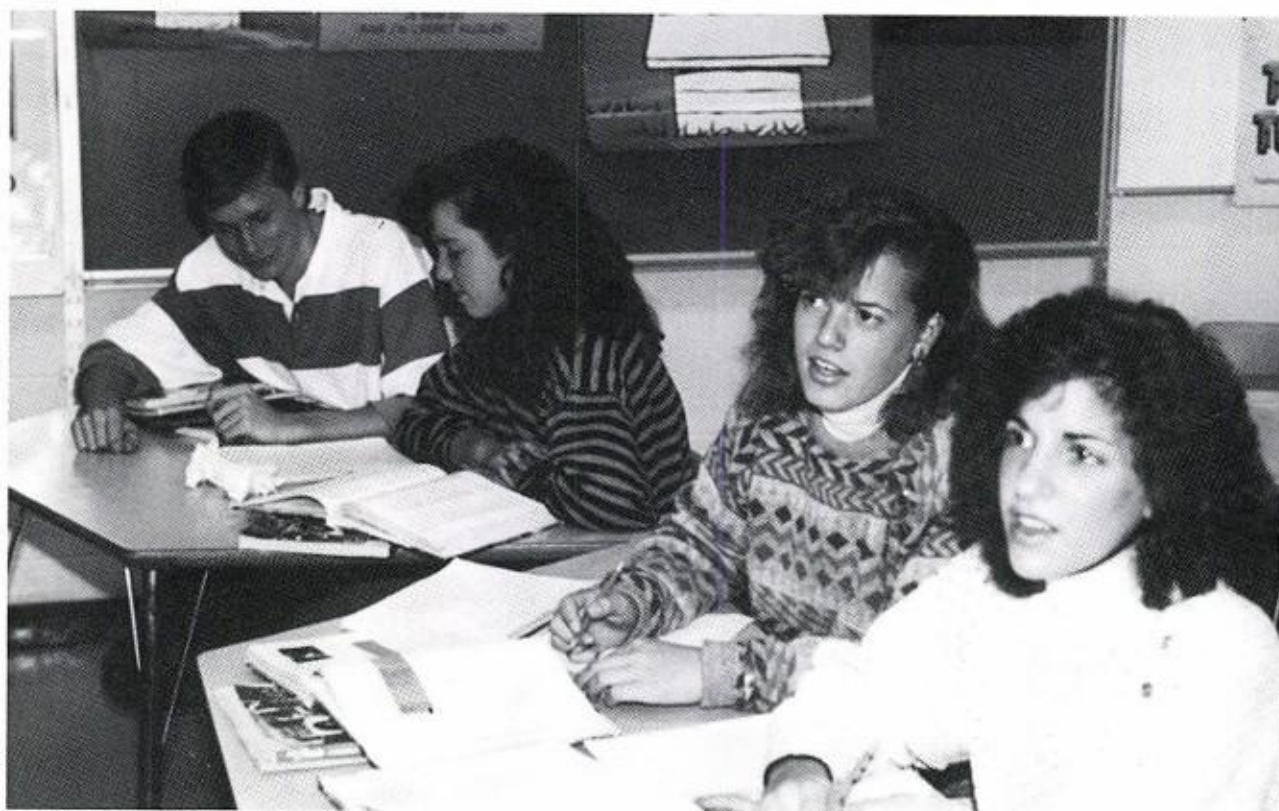

Fun For All

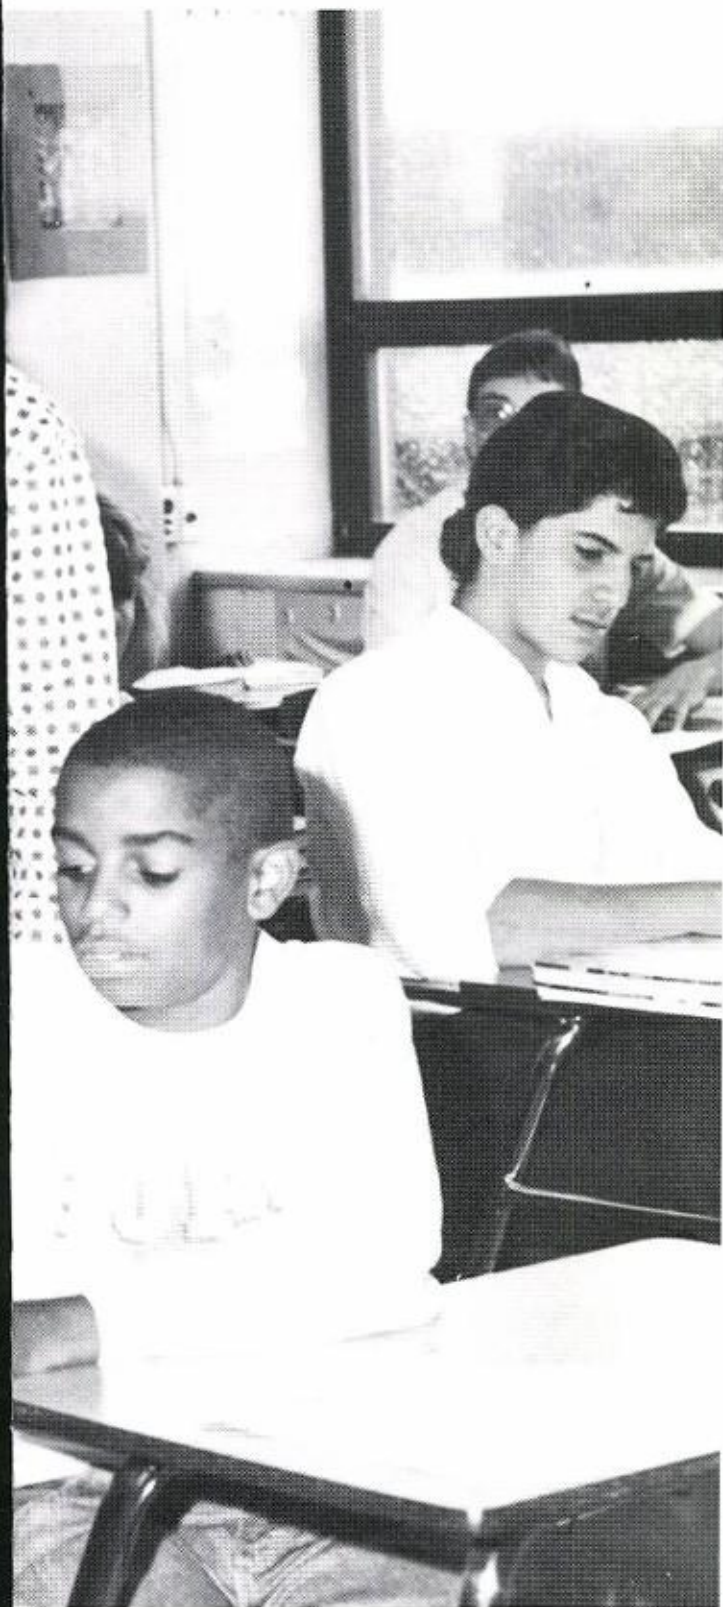

Anyone with an interest in a different culture or a different way of life may possibly be up for taking a foreign language. Foreign language classes at Northern are very enjoyable and are a good challenge at the same time. With the choices of Spanish, French, German, and Latin, making the selection is fairly challenging itself.

But regardless of what language you take, there are bound to be many exciting projects for you, such as: the Christmas party, the trip to Canada, the Europe trip, the trip to Spain, and the many presentations and plays. So no matter how "foreign" you are with other cultures, taking a different language could widen your horizons.

1. Mike Banas prepares for a feast. 2. Matt Longjohn, Gretchen Oudersluys, Jenny Simpson, and Denene Mulay enhance their knowledge in class.

1. Diane Fialkowski asks Amy Brandt and Jill Sedden about hitting the slopes. 2. Amy Goralitz and Cindy Rome fly the coupe. 3. Brandy Johnson, Brent Richmond and Carrie Stopa sing Christmas carols for fun.

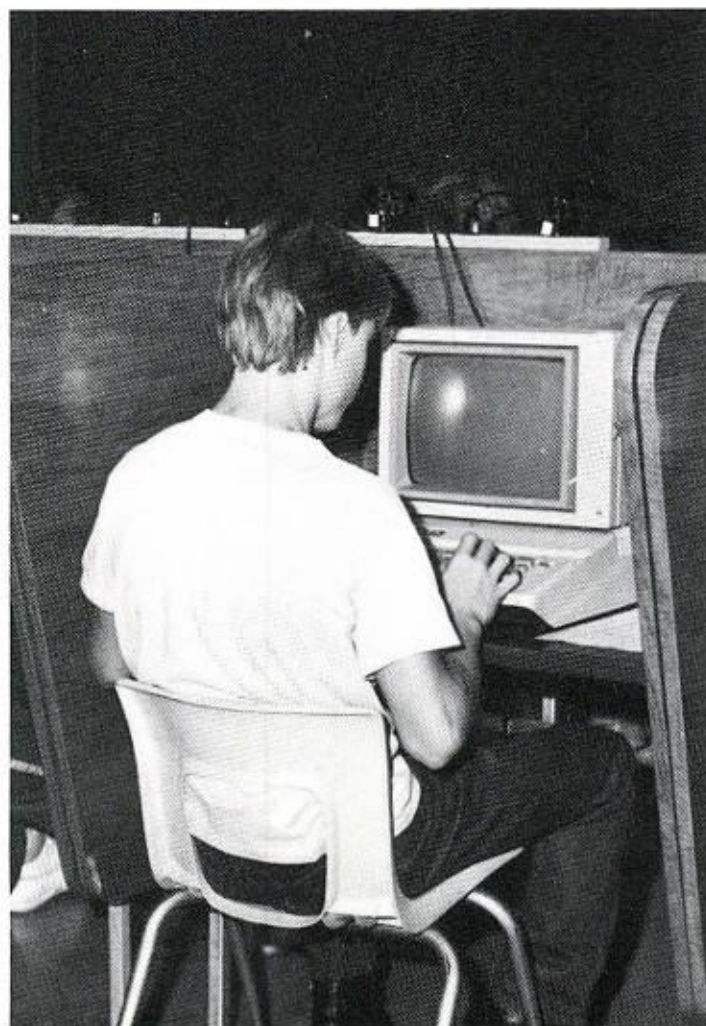

1. Mrs. Campbell, Amy O'Connor, and Charlie Hoskin capture the moment. 2. Students wait anxiously for the pinata to break.

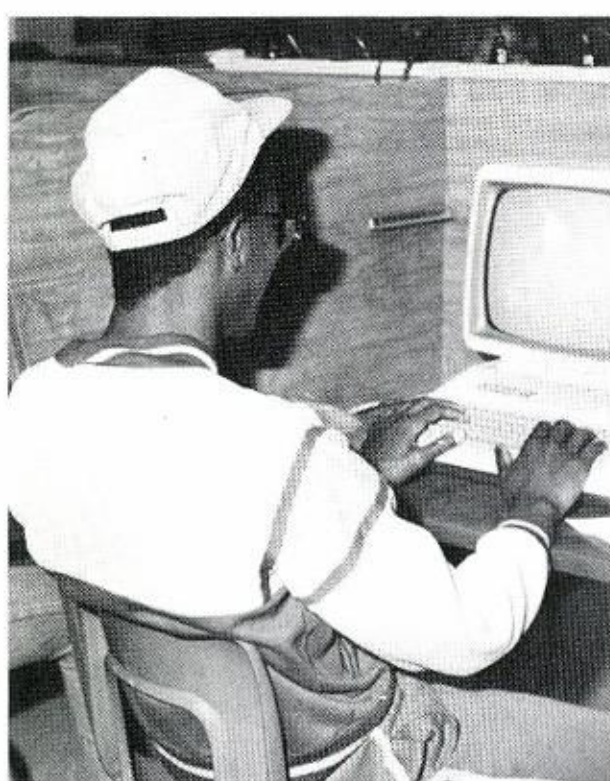

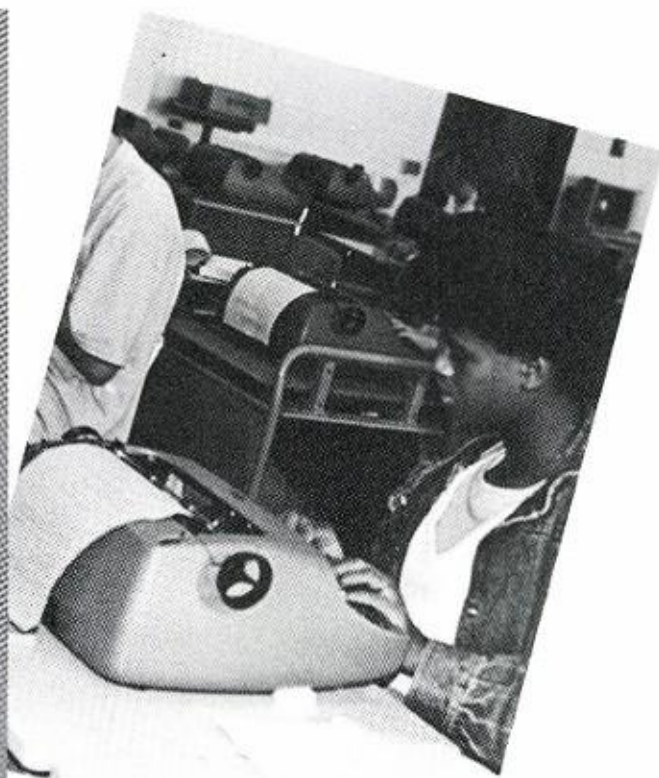

1. Angie Downs and Nicole White milk a cow as Kerry Schroeder takes notes.

WORKING FOR A FUTURE

Business classes at Northern supply a wide range of knowledge. Students can learn to type, use a computer, find out how to run a business, keep accounts, and do mathematics. Our co-op program, directed by Mrs. Jones, and Mr. DeLong, allows students to leave school after lunch to work and earn money in the afternoon while still earning school credit. In a world of growing dependence on computers, our technology classes prepare students for the world of the future.

1. A student dedicated to his computer. 2. "Where's letter Z?" says Shelly Chamberlain. 3. Yebisha Old Shield follows typing instructions.

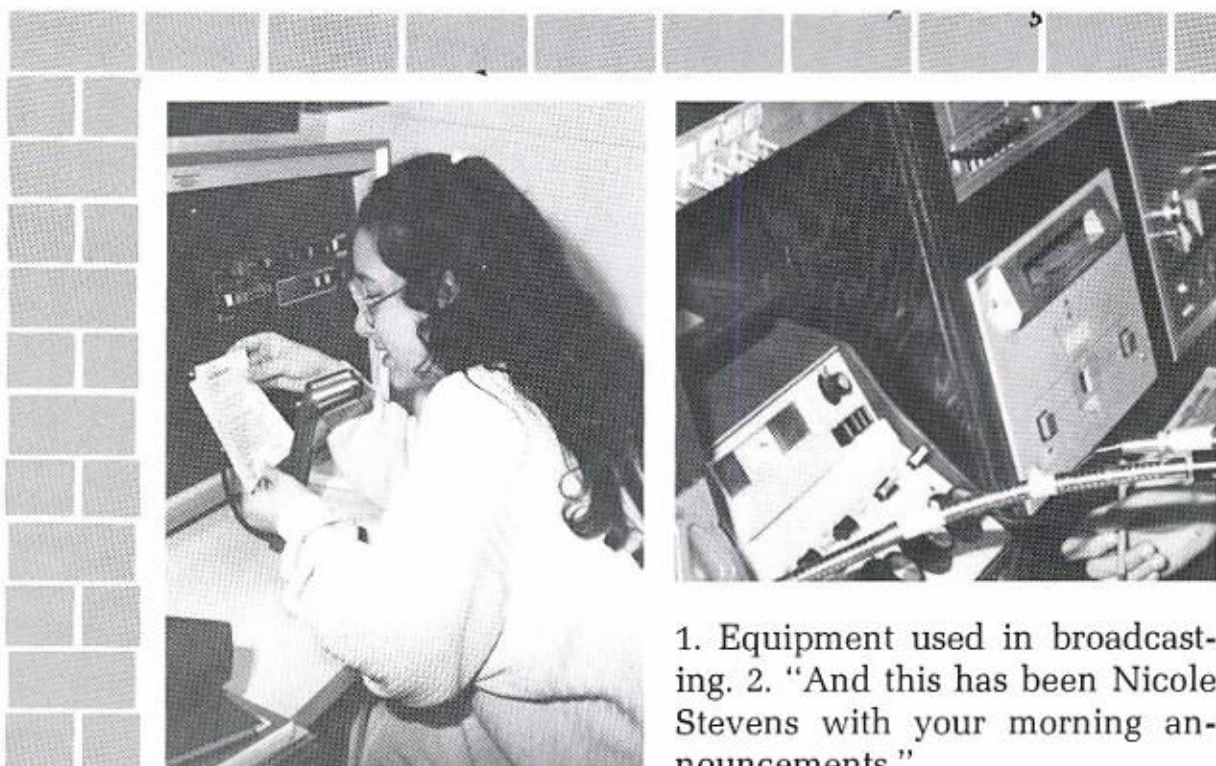

1. Mrs. Powell gives a helping hand to co-op students. 2. Keep your eyes off the keyboard, Renee Means. 3. Deana Rodwell enjoys her work. 4. Computers are bits of the future.

BROADCASTING

Do you ever get a strange urge to hear yourself on the radio? Do you find yourself talking into a pencil like a microphone? Is Dan Rather your idol? Then Broadcasting could be for you. Mr. Menchinger guides his students towards their future in broadcasting.

1. Dave Burkey says, "... and here's Mark Hopkins" 2. Steve Rossio recites the daily announcements.

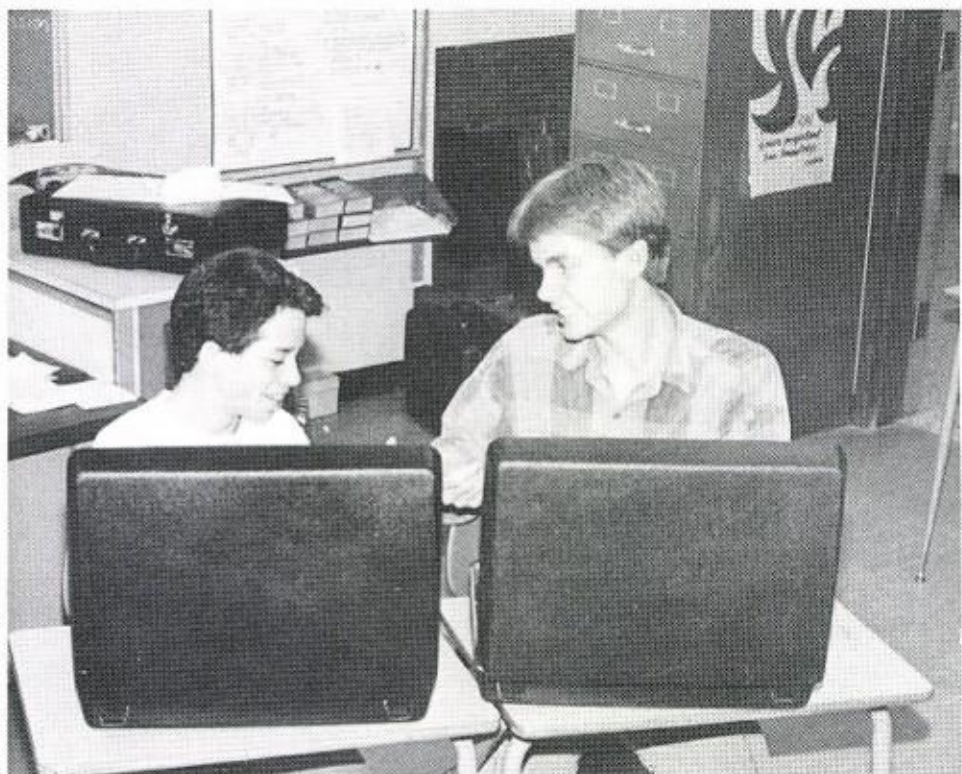

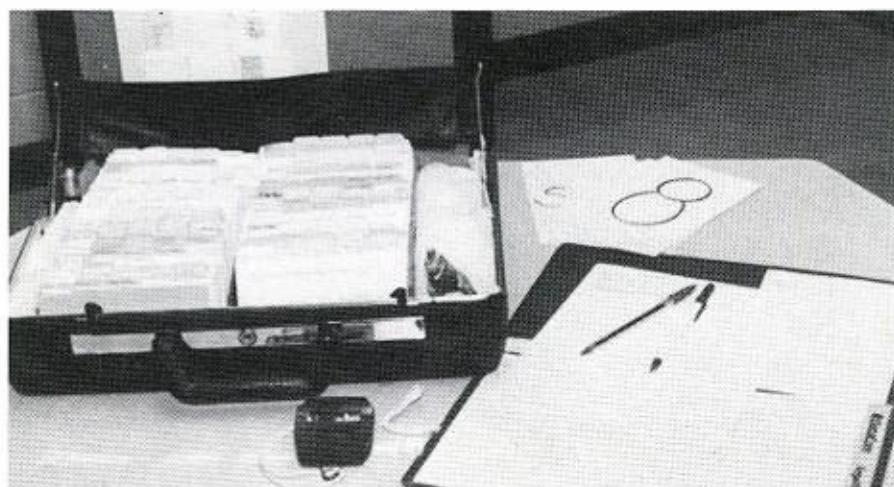

1. Equipment used in broadcasting. 2. "And this has been Nicole Stevens with your morning announcements."

DEBATE AND FORENSICS

The PNHS Debate Team, along with all the other debate teams in the country, debated the question: Resolved: The U.S. government should adopt a policy to increase stability in Latin America. Team members debated this issue pro and con throughout the season. The debaters, led by long time coach Mr. Menchinger, continued their traditional winning ways. PNHS has one of the longest traditions of winning in the state of Michigan.

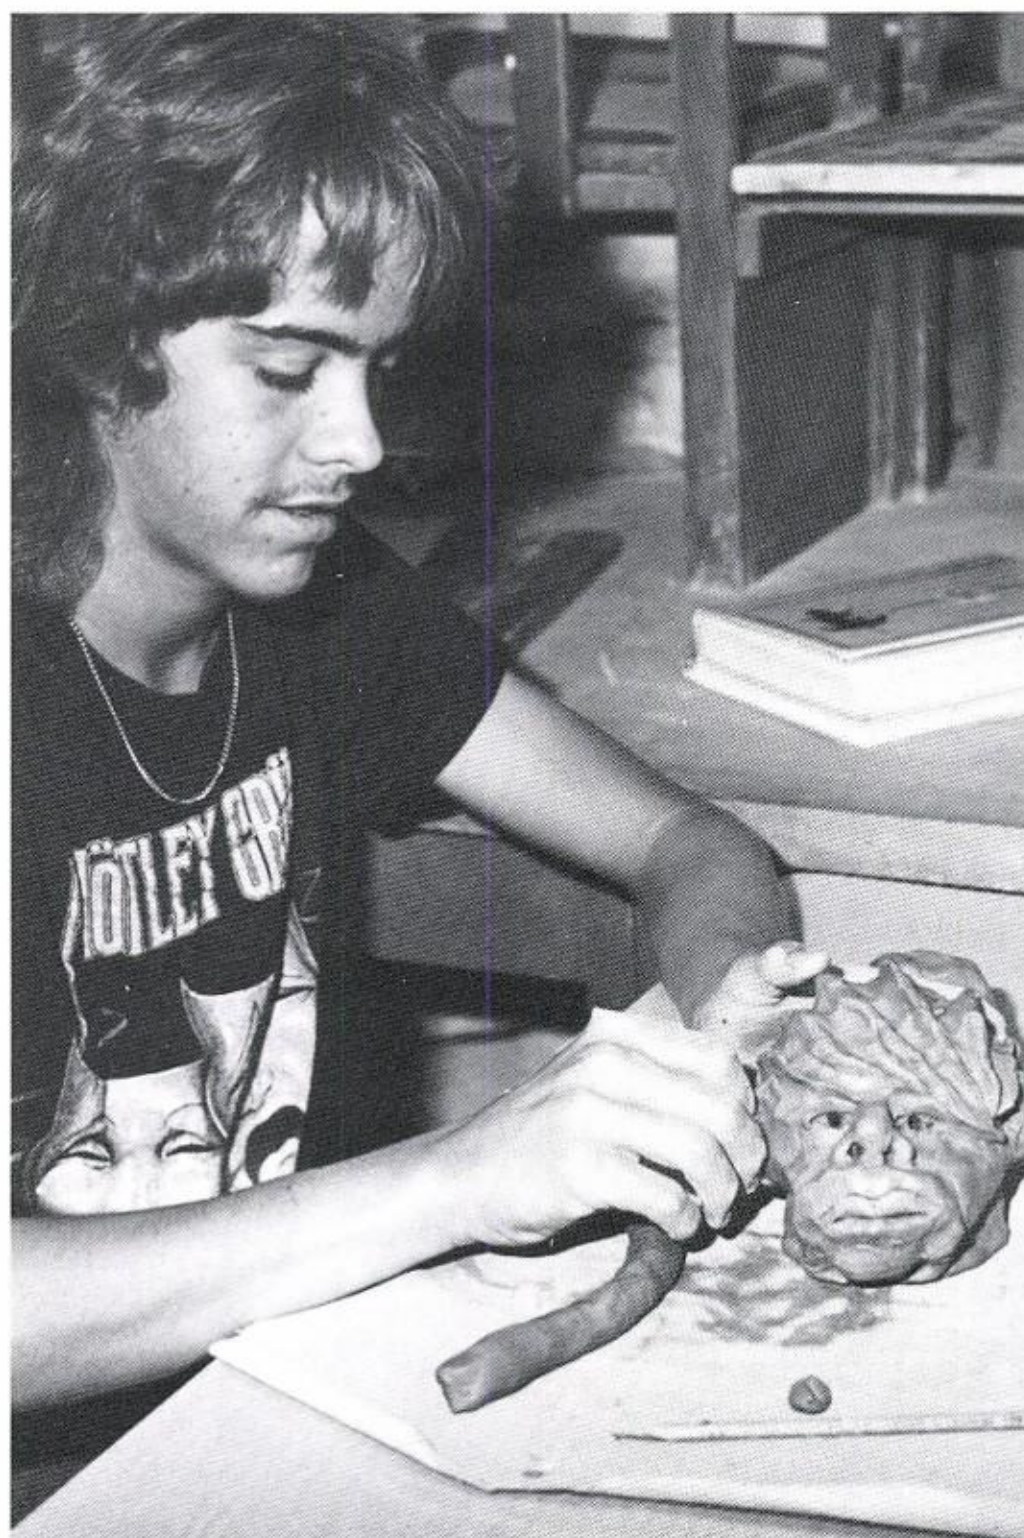

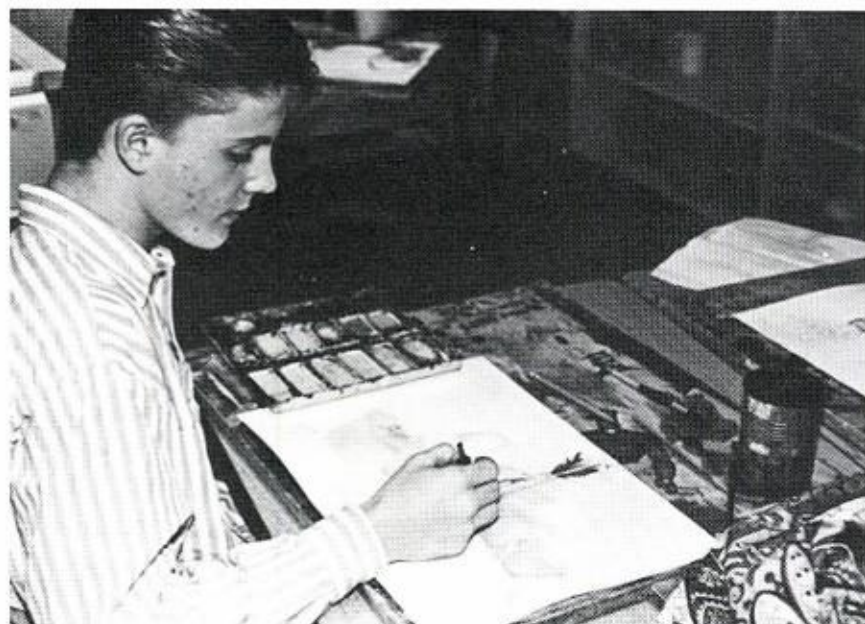

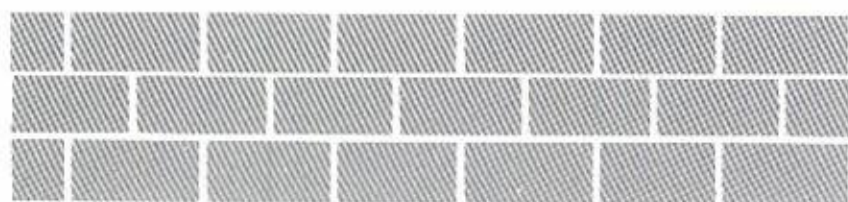

1. Janet Lynn and Dave Sider present their case. 2. These are the tools of the trade for a good debater. 3. Dave Edwards and Chris Schreur work hard! 4. Lisa Schwenk practicing her style.

1. Jason Crockatt concentrates on his clay. 1. Eric Bignal creates a masterpiece. 3. Hold up a mirror and draw yourself. 4. Neil Reeder works with watercolors.

Get The Picture

Art is a class where you can let your imagination run free. The Art program offered at Northern ranges from textiles, to painting, to ceramics. Mr. Bonevich, an accomplished artist in his own right, shares his knowledge and enthusiasm with his students. If you find yourself doodling in class instead of taking notes, perhaps an Art class is for you.

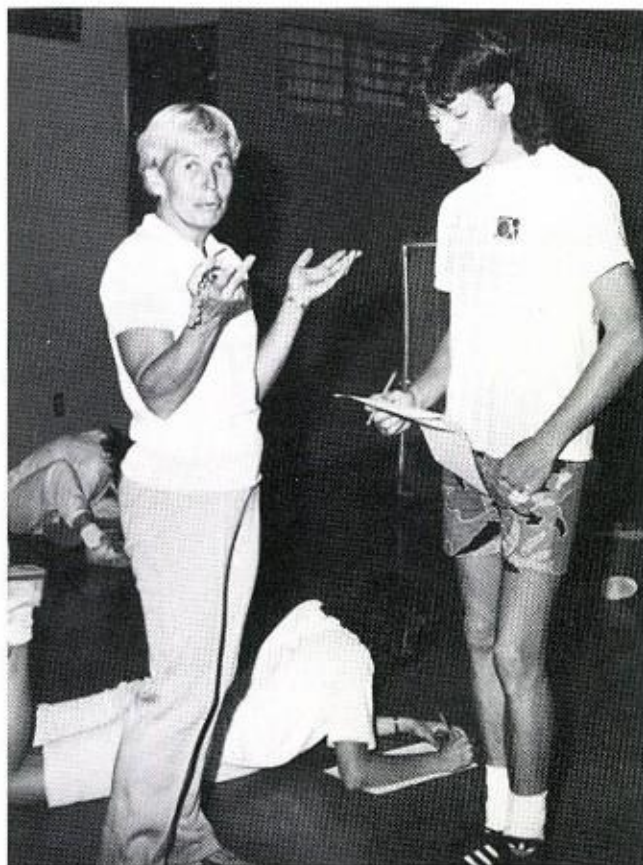

Working Out in Gym

Although Physical Education classes are required for only three semesters of the high school years, many students exceed this because of the fun and group involvement that is found in gym classes.

Team activities ranged from tennis to touch football, volleyball, basketball, and many other group involved games.

In addition to the team sports offered, there is a variety of individual sports. Physical fitness gave a chance to build biceps. Square dancing is another time of enjoyment for students, not to mention that swimming and dancing are required for Freshmen.

Mrs. Longjohn says, "I can't give you the answer, Chris."

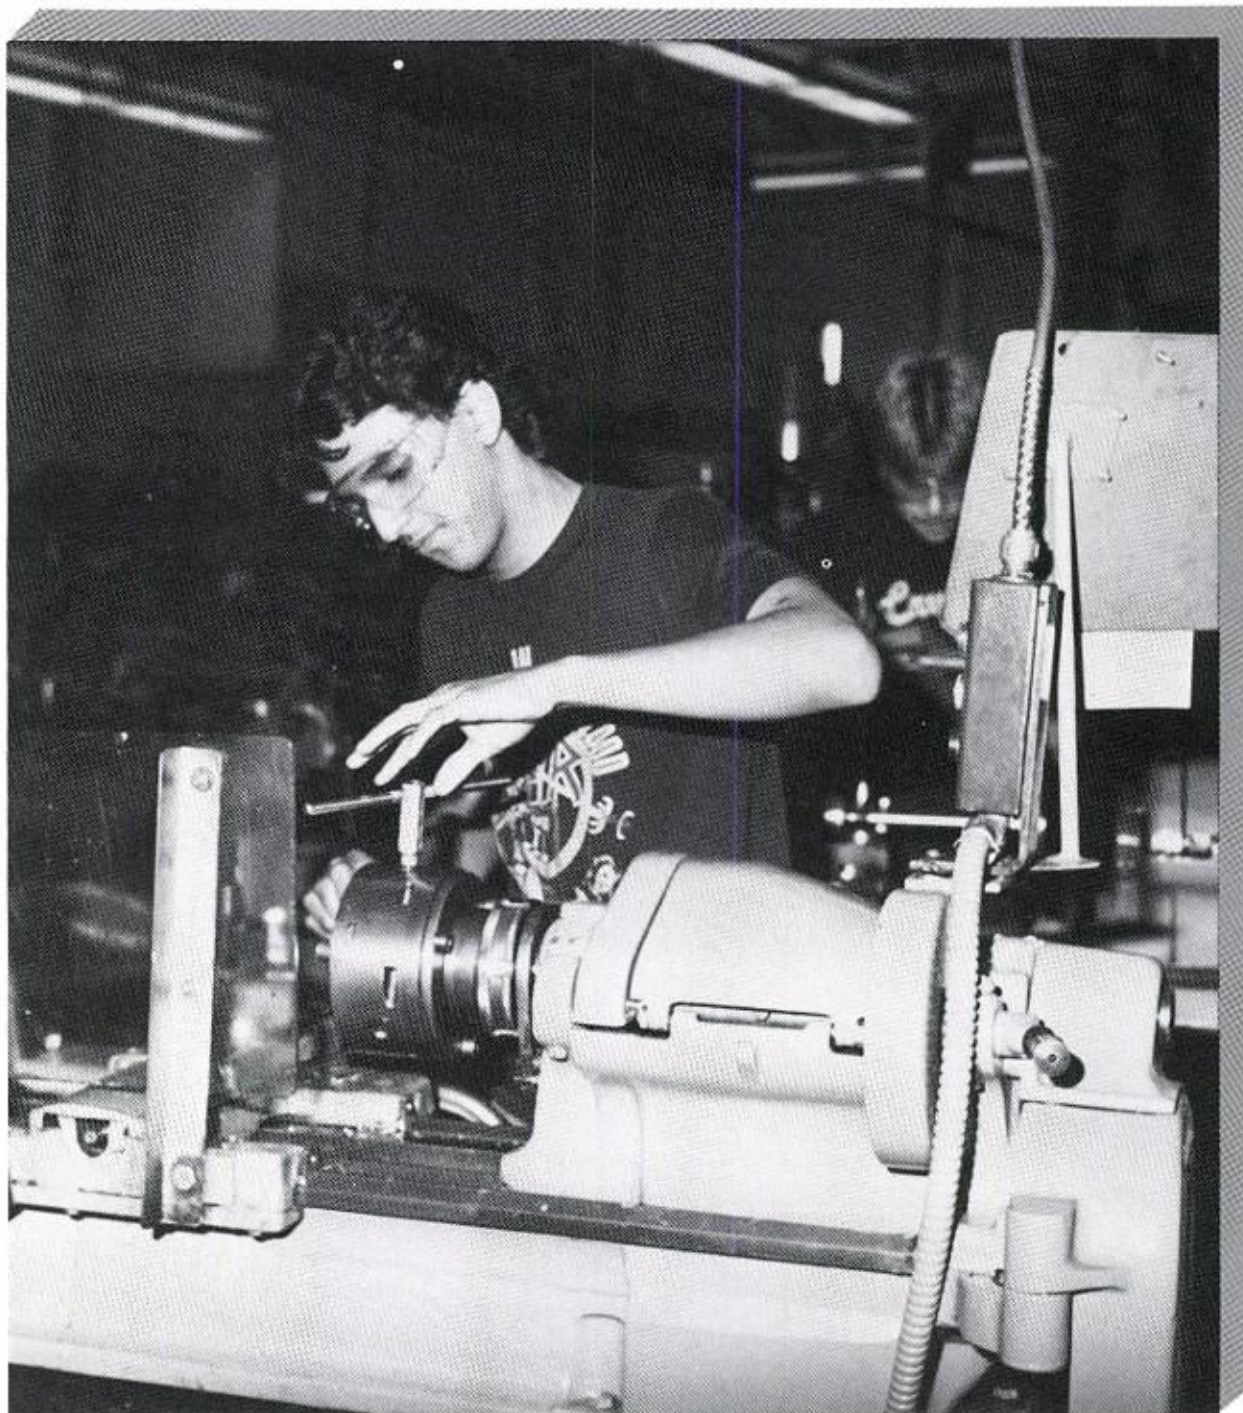

1. Nice volleyball action! 2. Kevin Wertz asks, "How many more laps?"

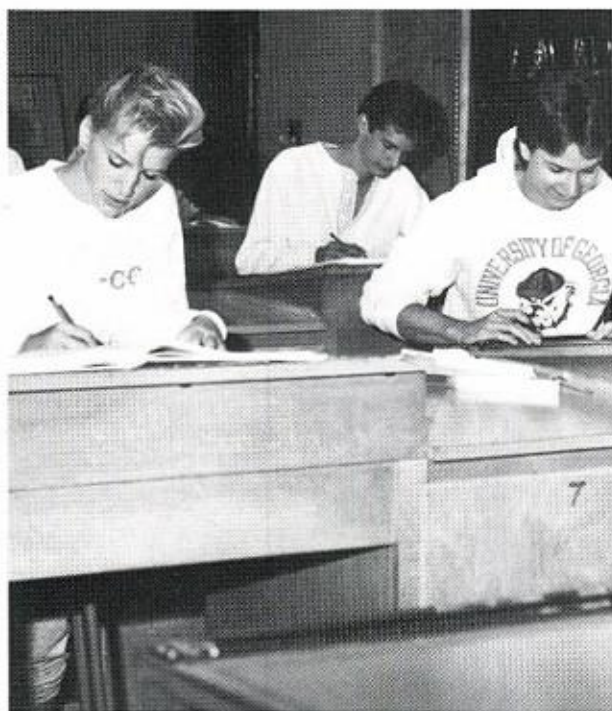

Brinton Morris is half way there.

Handy-work

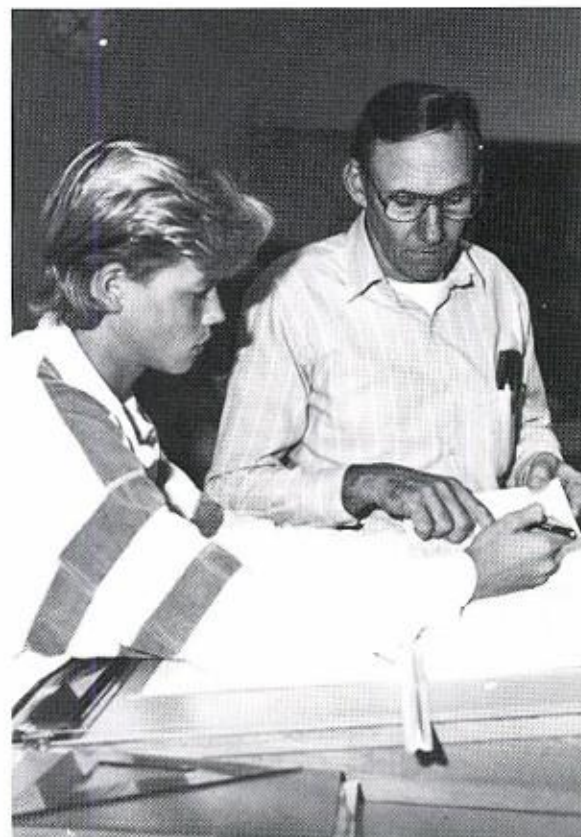

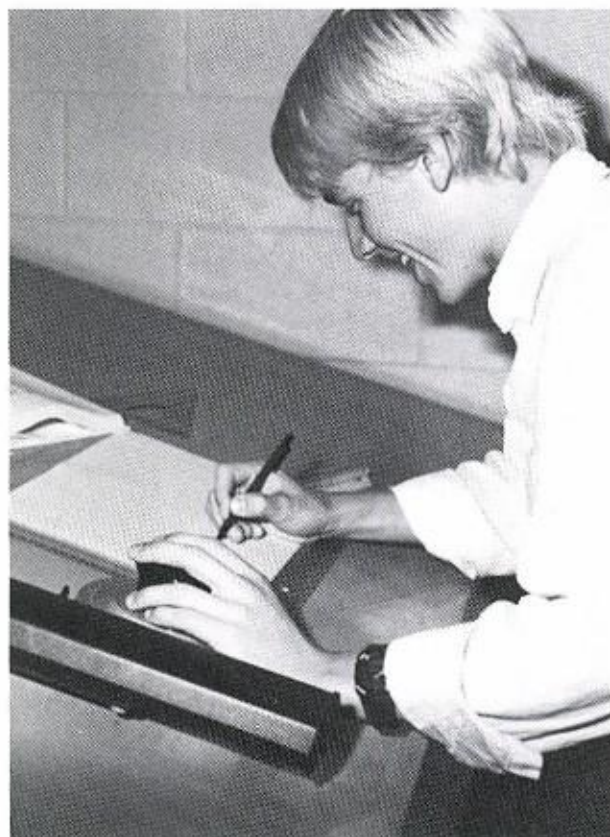

Industrial Arts is for anyone who enjoys manual work and finds fixing things fun. If you enjoy your car then you may want to take Auto Engine Repair. Shop classes offer a change of pace from academics. Mechanical Drawing requires manual dexterity and is great for students interested in architecture. Overall, Industrial Arts classes at Northern prepare students for the real world.

1. Ray takes advantage of Northern's great facilities. 2. Good drawing, Mike Molde! 3. Jeremy Palmer listens closely to Mr. Polderman's instruction.

Amy Brandt and Kevin Boulis get into their work.

STITCHEN IT

Home Economics offers a variety of classes which deal with our future responsibilities. Interior Design teaches new ways to design a home. Family Issues deals with the life cycle of human relationships. Child Care covers prenatal development and the various aspects of raising a child. If you are interested in nutrition and keeping fit, there is Food and Fitness. And, if you like to do handiwork, PNHS offers Creative Home Furnishings.

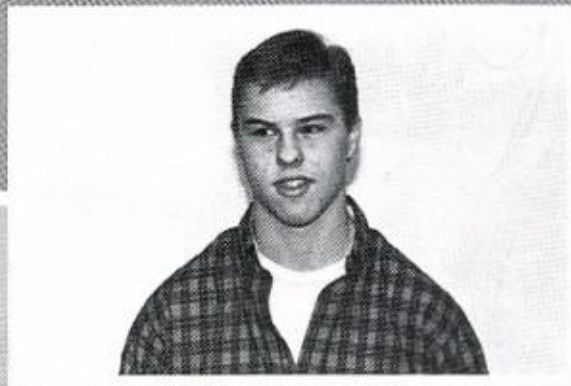

1. "Don't poke your finger, Lisa Evans!" 2. Laurie Roberson, Rodger Mehta, and Becky Blackburne ring up the profits. 3. Mrs. Engles shares her enthusiasm with one of her classes. 4. Kevin Boulis, Nicole Goodrum, Chris Norman show that they will some day become good parents.

The Sophomore year was a huge relief. Not only was the class of "90" not Freshmen anymore—they really fit in to the high school scene. They are older and more mature, so they have a lot more decisions to make. The Sophomores began to build a future for themselves. They found out what jobs would suit them and looked into hopeful careers. They picked classes for their high school years to come.

The P-ACT test was a new test available for Sophomores for the first time this year at Northern. It was a test made just for Sophomores.

Many of our Sophomores turned sixteen this year. This means receiving their first driver's licenses. These driving privileges were a big step toward maturity. These Sophomores had a whole new world opened up for them. They could drive themselves to games, dances, parties, and, maybe, even the first date, without the help of mom or dad. Unfortunately, they could no longer drive themselves out to lunch with the enforcement of the closed campus rule, but having a car can become a financial burden anyway. So many Sophomores sought out their first jobs. Another responsible step toward maturity. The Sophomore year was a time for growth.

OBSCURITIES

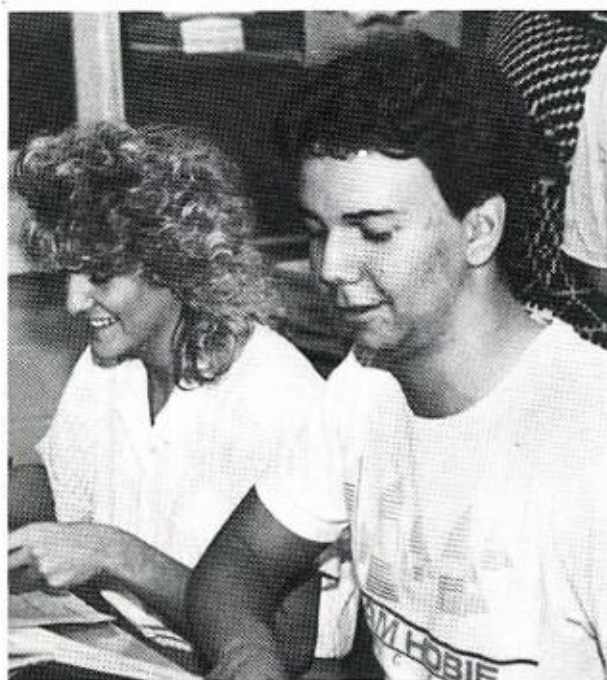

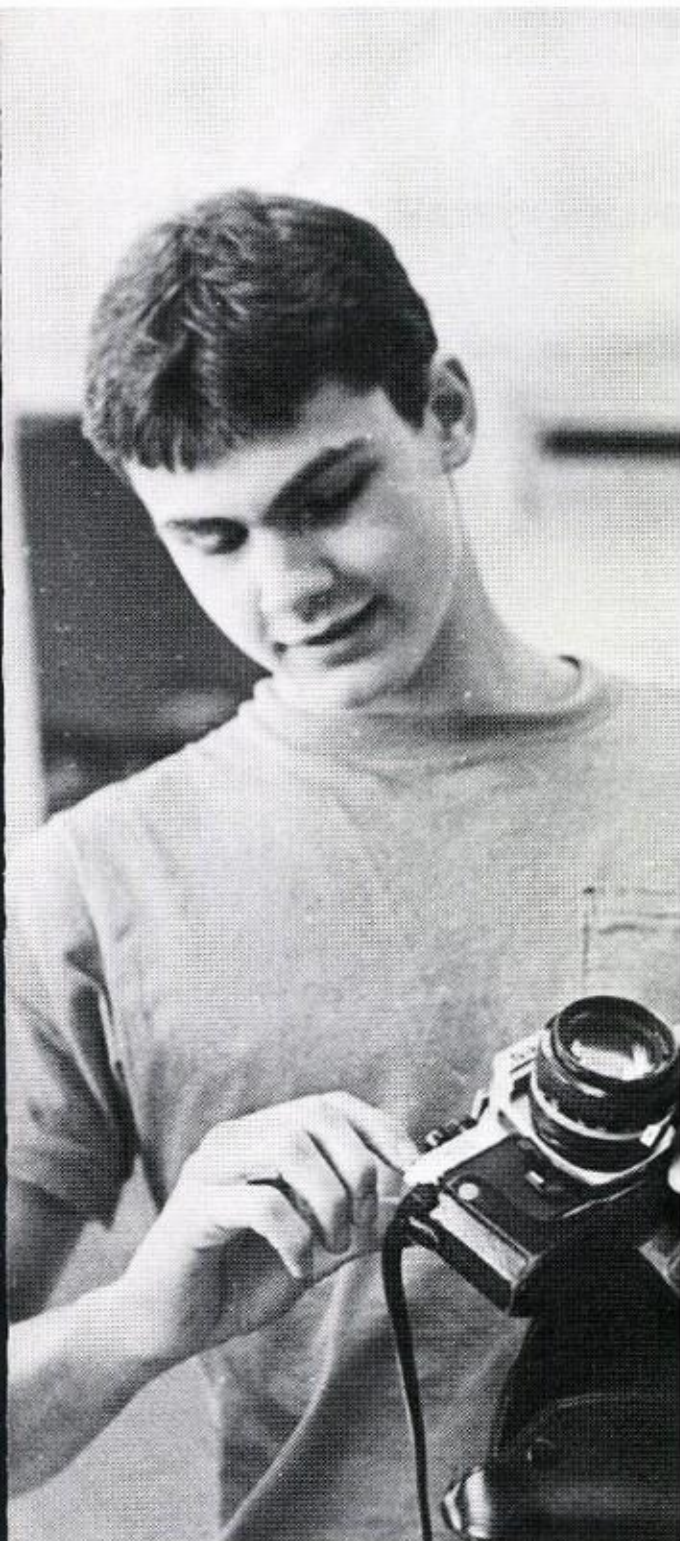

1. The entire staff! *Back Row, l-r*, Nancy Nadelin, Jennifer McCune, Janel Field, Wendy Fytymoski, Kari Stuart, Sheila Holt, Maribeth Walters, Jerri Myers. *Middle Row*, Tim Prendergast, Karrie Kucab, Heather Firth, Nina Johnson, Laura Greer, Cindy Refior, Maggie Braden. *Front Row*, Joe Yankech, Tina Hubek, Laura Cugnetti, Todd Sheperd, Rachel Zimmer, Craig Hands, Mark Fackler. Missing is Tania Loney. 2. Rachel Zimmer practices focusing her camera. 3. With all the deadline pressures, why is Mrs. Oakleaf still smiling? 4. Jennifer McCune and Nancy Nadelin are actually working.

Yearbook

A new advisor, new editors and staff members, and lots of new ideas filled room 308 this year. In the beginning, the idea of creating a yearbook and meeting deadlines seemed an overwhelming task. An improved book was the staff's goal. Advisor, Mrs. Oakleaf and Editor-in-Chief Kari Stuart, guided the group through good times and bad. The staff quickly learned that this was not just a 6th hour class, as they worked after school and week-ends to sell ads, take pictures, interview students and teachers, design page lay-outs and meet deadlines. The hard work paid off and the staff was able to capture the significant memories of the 1987-88 school year.

1. Mark Fackler shows Maggie Braden the ropes of photography. 2. Tina Hubek gives orders while Joe Yankech investigates the photographer. 3. Editor, Kari Stuart works on lay-outs. 4. Looking over photographs are Jeri Myers and Joe Yankech.

 2. Ron Diver studies his facts before submitting them for the paper.
 3. Mr. Rob Iciek, journalism advisor, reviews a student's work.
 4. The staff; *front row*: Melissa Tamas, Sam Perkins. *second row*: Nate Maurer, Kim Wood, Lori Bair, Cindy Bair, Emmy Pederson, Lee Vredevelt. *third row*: Mary Brey, Rob Perkins, Joel Wick, Jennifer Smith, Kim Rickard. *fourth row*: Mr. Rob Iciek, Doug Hazzard, Ross Stevenson, Josh Bloom. *fifth row*: Nicole Stevens, Carol Borden, Teresa Cataldo. *back row*: Steve Hammond, Ron Diver.

The Northern Light Shines Brightly

"This year's staff has shown enthusiasm in continuing the great tradition of Northern Light," says Mr. Iciek of the talented N.L. reporters and photographers. The Northern Light is published at least once every marking period. This year, the Light made a gradual transition to a new procedure for the print and graphics of the newspaper, a laser graphic procedure. It uses a McIntosh computer

and was a very modern step into the technological future.

Another change in the paper this year was with the staff. So many students signed up for journalism that it had to be closed and only two sophomores and upper-classmen were allowed in the class. Next year Mr. Iciek hopes to have two classes, a beginning and advanced journalism class.

Staff Notes

— Cindy Bair, Jr.

"It's a lot of fun because there's so many different people in here, including my sister!"

— Mary Brey, Jr.

"Journalism is gnarly because all my trendy friends are in here."

— Joel Wick, Sr.

"Mr. Iciek leads us but lets us be creative and write our own stuff."

— Emmy Pederson, Soph.

"It's an interesting class and the best way to end the school day."

— Josh Bloom, Jr.

"I love Journalism because all of the people in here are gods!"

— Lori Bair, Sr.

"I think Journalism is a great way for us students to express ourselves and be creative."

1. Cindy Bair and Jennifer Smith admire the finished product.

2. Some quotes from a Northern celebrity amuse Kim Wood.

3. Carol Borden works hard to make the paper interesting to look at, too!

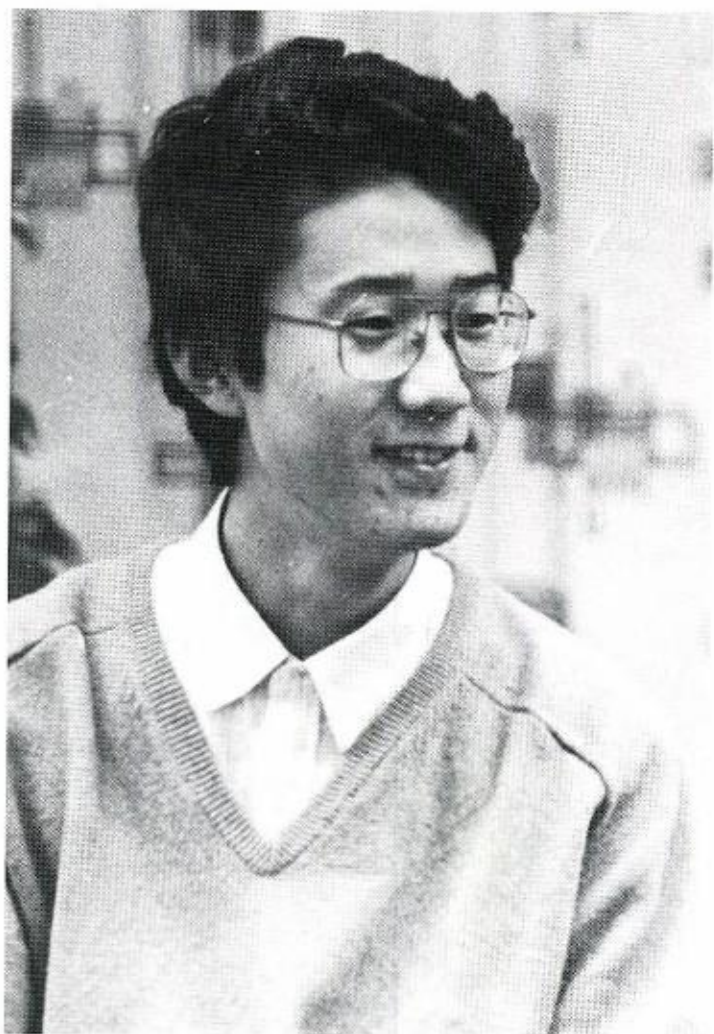

AFS

AFS is an organization to welcome our friends from abroad to America and our school. The four students visiting us this year include Satoshi Kamada from Japan, Lisbeth Mortensen from Denmark, Alberto Gonzalez from Spain, and Arnon Eshed from Israel.

A dance, hayride, T-shirt sale, and an AFS weekend were just some of the activities we shared with our foreign friends.

We have shared our time, experiences, and school spirit with our exchange students and hope they will take fond memories of happy times home with them.

Mrs. Linda Trepanier put in many long hours as this year's club advisor.

← SATOSHI

My name is Satoshi Kamada, and I came from Japan. I am living here with sophomore Jon Jenkins and his family. I found many things different from Japan. We drive on the left side of the road, but you drive on the right. We usually use chop-sticks when we eat but you use knives and forks. You wear shoes in your house but we take them off. We sometimes write sentences up and down but also left to right. We don't have Thanksgiving so don't usually eat turkey. We don't have Homecoming at my school in Japan, but I think it is a very fun event.

I want to talk about some of the false ideas Americans have about Japan and the Japanese. We don't just have Mr. Fuji, Tokyo and bullet trains but many other things too. The Japanese are no longer short now. Japan is a rich country, but many Japanese are not rich. Big companies have much money. Most Japanese can not play Karate, but some can. Many Japanese don't always wear Kimo-

nos. Some Americans think Japanese are crazy because we eat raw fish-Sushi. I think it's the same as Eskimos eating raw meat. It's just culture."

1. Two students from home- Michelle McLane and Kristy Ferreira-have fun with the exchange students.

2. President of AFS-Katharine Southerton.

LISBETH

Hi! My name is Lisbeth Mortensen. I am from Denmark, and I live with the Lutes Family.

There are not that many differences between the U.S.A. and Denmark except for the language, the fast-food restaurants, and that you have so many cars over here!

Another thing is that you eat eggs, bacon, ham, sausage, potatoes, and bread all for breakfast! That is nearly a dinner for me and the first time my family served it for me, I thought it was a joke!

I have had a lot of fun here, especially when Becky took me waterskiing. I stood up for awhile, but I fell out of my skis and life-jacket which both ended up on one side of the boat and me on the other. They couldn't find me because they were looking around by the skis and I wasn't there!

I would like to say thanks to all my friends and teachers here for sharing this year with me. It has been a great year, one of the best of my life, and I will never forget it. Thank you all for making this possible for me.

ALBERTO

My name is Alberto Gonzalez and I come from Spain. I lived with the Valk Family (P.N.'s varsity soccer coach). During the year, I've seen some differences between Spain and America. The food is different, the cars, school, snow (we don't have snow where I live in Spain), McDonald's, parties, football, baseball, malls, drinking age, driving age and girls. We don't have football or baseball. Here, you drive at sixteen and in Spain at eighteen. Here, you have much more freedom but we have no drinking age. Here, no one cares about the way you act.

If I am talking to someone and I don't exactly understand what they are saying, I just smile and say, 'yes.'

I am very glad to be here. This has been a great year for me and I am going to miss America a lot!

ARNON

Hi — Shalom! My name is Arnon Eshed and I'm from Isreal. I stayed here only for the first semester to "taste another life" in the "States" and I stayed with the Walters family.

Isreal is a lot smaller than the U.S.; it's even smaller than Michigan.

In Isreal, we speak Hebrew. Once, when I took a test, I answered all the questions in Hebrew. I was kind of embarrassed, but I think the teacher was more embarrassed.

The last thing I'd like to say is that I don't ride to school on a camel in Isreal.

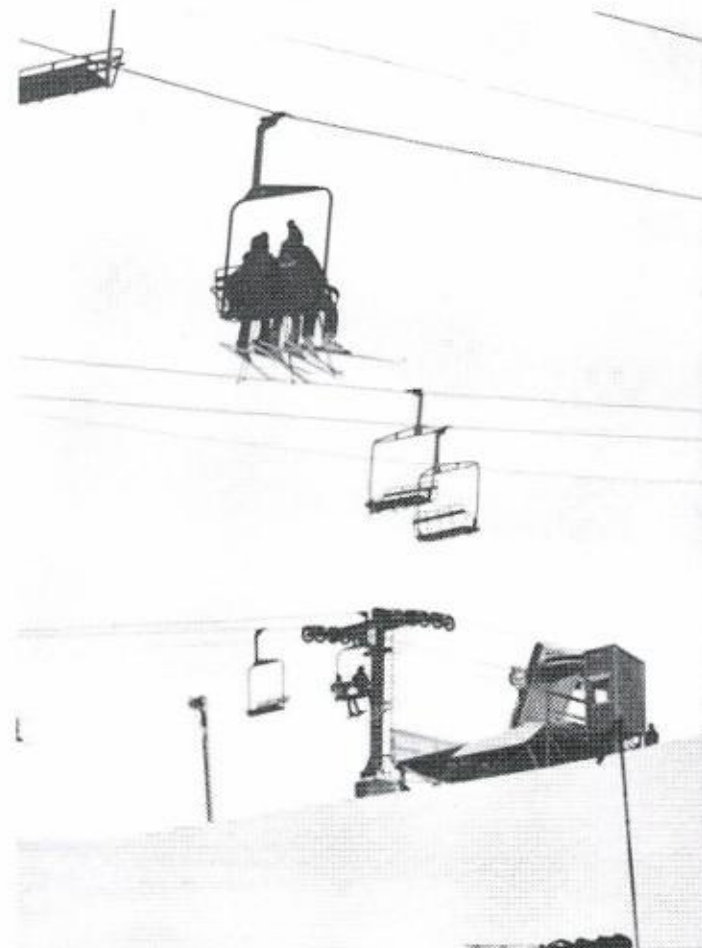

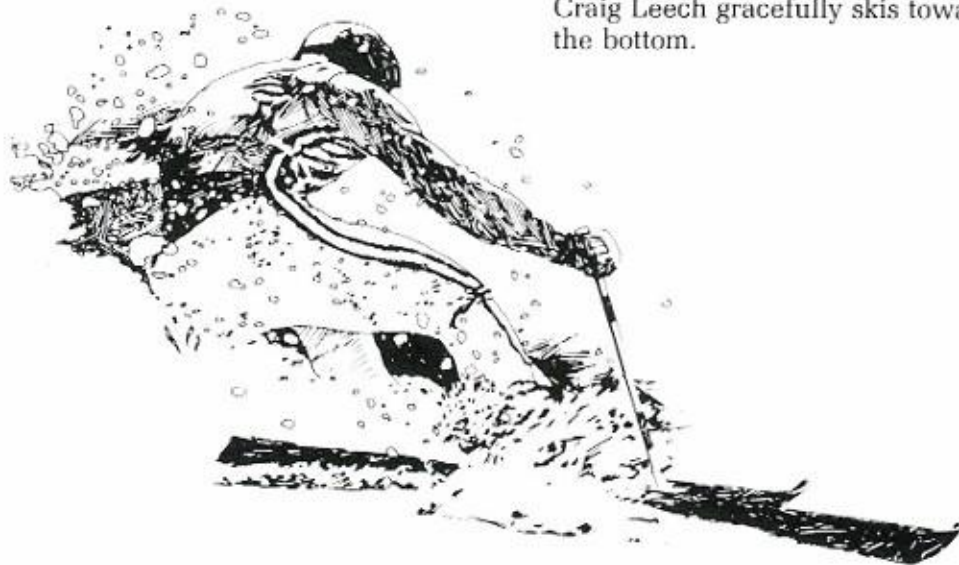

FIRE ON ICE

In its first season, Northern's Ski Team made great strides to become the best in the area. While competing with local teams such as Loy Norrix, Plainwell, Otsego, and Three Rivers, the Huskies clawed their way to the top. Led by captain Todd Stevens, ex-Cadillac great Craig Leach, Brett Plew, co-captain "Shemp" Todd Sheperd, "Canada" Todd Simms, and a host of other skiing talent, these newcomers to the racing scene made their presence felt. With the coaching talents of Kip Plew the Huskies were able to tackle the difficult task of running gates. In the future this great racing program may become a varsity sport here at Northern.

Shawn Lahr prepares to hit a gate.

Craig Leech gracefully skis toward the bottom.

A group of Northern skiers await the race.

SKIING ANYONE?

Anyone who says that you can't have fun on Wednesday nights obviously wasn't in this year's Ski Club. Ski Club traveled to the hill via the "Bitter Sweet Express." The Huskies braved the cold in search of fun and excitement until deep into the winter night. Learning to ski while wildly flying down the hill, some of these Wednesday night warriors were very thankful when their runs came to an end.

Rob Martin takes a pre-race breather.

STUDENTS FOR STUDENTS

"We're just a bunch of people who get together to discuss ways to stop high school students from driving drunk," said Mr. Swoboda, SADD's new advisor. "Ideally we would like to have 1500 students involved in our organization." This year

Kristina Bennett goes all out to gather students for the cause.

1. The SADD float. 2. More students join the fight for SADD.

SADD was highly visible to the student population at Northern; they entered a float in the Homecoming parade, put up posters around school, helped with the post Prom party, sponsored their own dance, and sold T-shirts. One of their largest projects was a trip to Mackinac Island for the Second Annual Michigan SADD Conference. The basic goal for SADD is to get students to know we don't want them to drive while drunk — we care.

Karen Cotterill and Janet Lin are dynamic leaders for SADD.

Pep Club Excites All

Who's responsible for those brilliant posters that display Northern's school spirit, not to mention those rowdy pep assemblies? It's the Pep Club of course. English teacher Mr. Steve Schaefer is in charge of the Pep Club this year. The officers are President Val Miller, Vice-President Amanda Pollins, Secretary Amy Lewis and Jenny Van Doren and Treasurer Kim Bos.

Although the Pep Club lacked in members, it made up for it in enthusiasm, creativity and pride in Portage Northern.

English teacher Mr. Steve Schaefer makes the Pep Club a success.

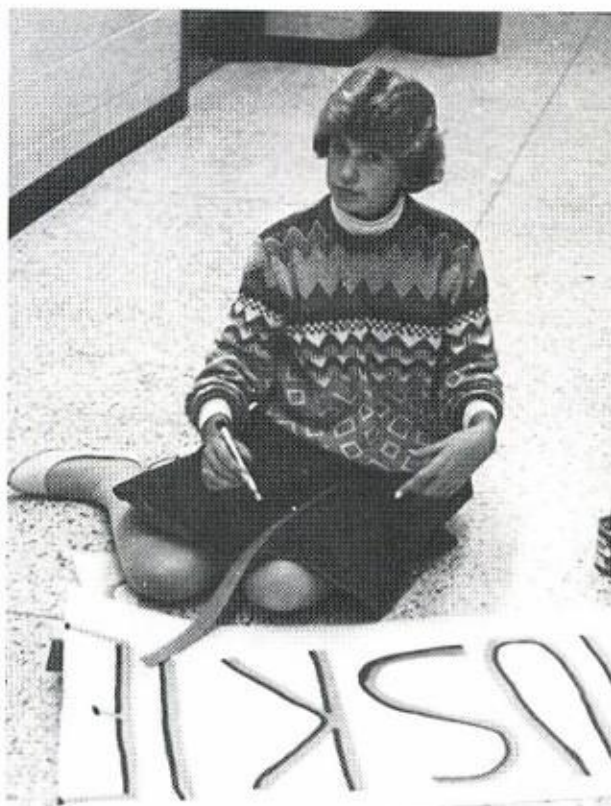

Vice-President Amanda Pollins loves to trace feet.

Kim Bos paints posters like a pro.

Amy Lewis converses while creating a masterpiece.

Songleaders '88

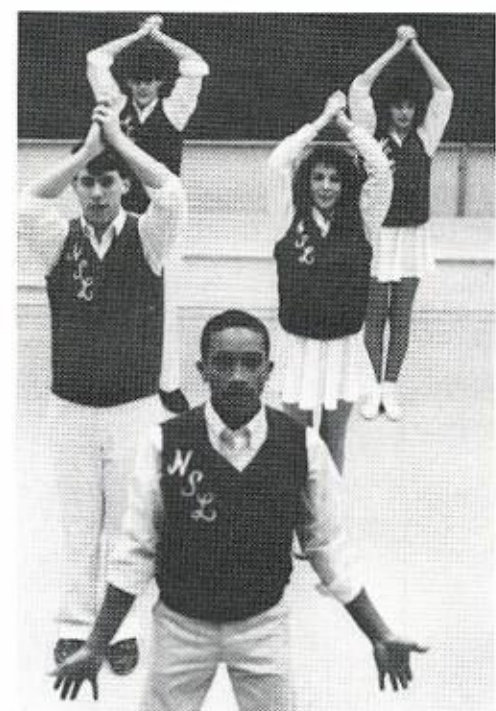

There was a lot of hard work and dedication put into being a member of Songleaders I and II. Each member added their own unique style to make the Songleaders family complete and special. Traveling to perform throughout the area, Songleaders I danced and sang showing their talent, while Songleaders II worked hard all year preparing themselves for their chance to be a member of Songleaders I. The Spectacular, the main event for Songleaders I and II, was March 25th and a big hit for everyone involved. Mr. Crocker, director since 1975, was right when he said, "They really are performers. They really love show biz."

A Divine Chorus

The pride of Mr. Marlowe Crocker, Northern's choir once again excelled in singing. Hours upon hours of practice were needed in order to achieve perfection. At this year's Christmas concert, the choir performed songs such as A Christmas Portait, Light the Candles, and the Halleluiah Chorus. In addition to the Christmas concert, Northern's choir performed a Spring concert along with performing at Northern's commencement ceremonies.

Strings In Tune

Portage Northern High School Orchestra had a busy year in 1988. The students of the orchestra should be proud of their work and achievements. These dedicated students traveled to Portage Central each day in order to enrich their musical talents. Special thanks goes to Mrs. Mary Hinderlighter for her brilliant instruction of the orchestra.

JAM WITH THE CONCERT BAND

This year's Concert Band set new standards in excellence. Under the direction of Mr. Dave Mumma, the Concert Band went through the training required before entry into the Marching Band. Composed of Freshmen, the Concert Band sets the foundation for future development of Northern's band talent.

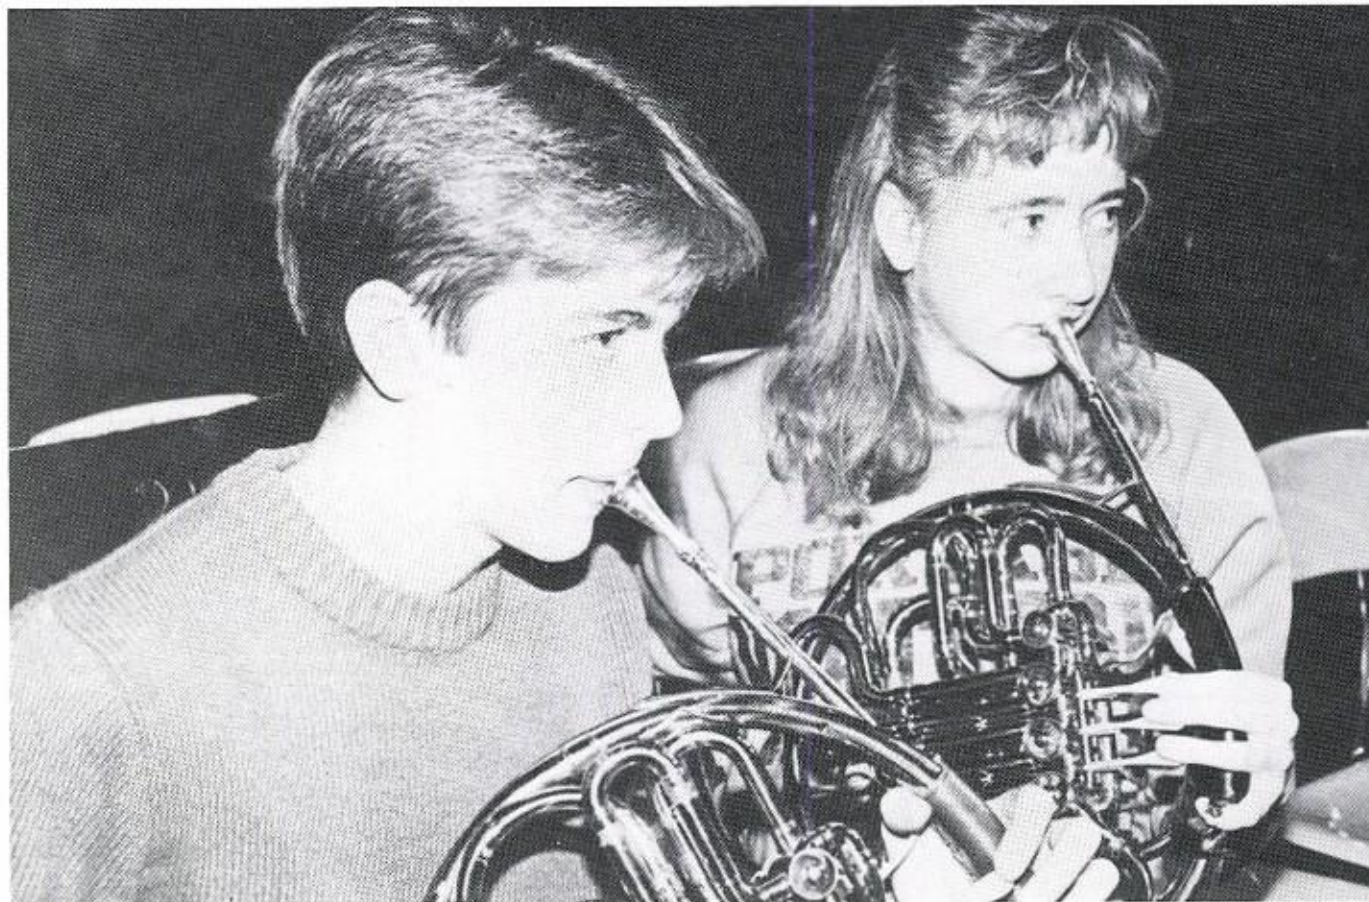

Mr. Mumma says, "Ooohh! I like that!"

GLOBAL STUDIES

A new organization this year here at Northern was Peace and Global Studies. Mr. Kitchen was the advisor. Speakers from local political, environmental, and actionary groups came and led discussions with students. Members also participated in a model United Nations at Hope College. Some students took a field trip to the Peace Museum in Chicago. Another activity that this group participated in was writing letters for Amnesty International. They also organized various service projects.

Sensational Senate

This year's Student Senate encouraged everyone in the student body to become involved. Leading such activities as arm wrestling, the Jello-rama, and the legs contests. The Student Senate gave every student at Northern a chance to be someone. Another outstanding achievement of \$10,300 in the Breadlift involved almost one half of the student body. Looking toward the future, Mr. Marshall Rutz and Mr. Jerry Spade can only expect to lead the Senate to new heights of excellence.

Stacey Redmond and Whitney Brundage are working hard for the benefit of the Juniors.

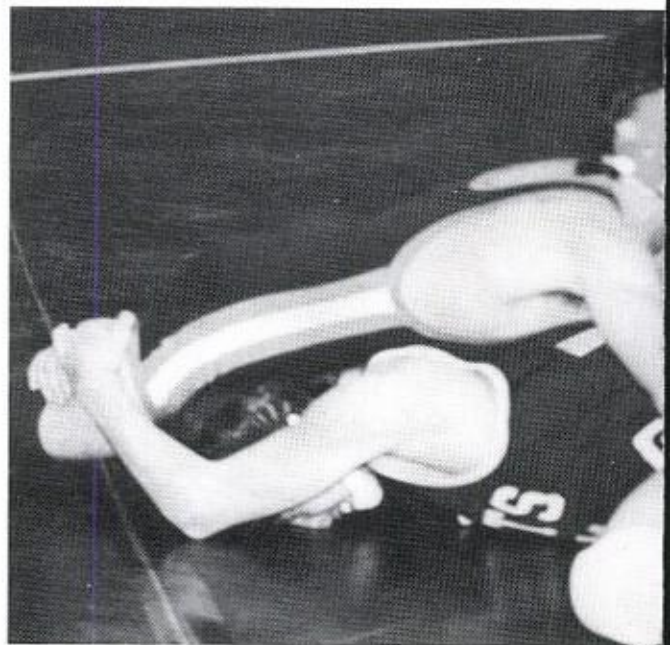

As the first year of being an upperclassman comes to an end, we look back on some of the events that made it so memorable. Do you remember winning hall decorating with our wonderful portrayal of Heaven and Hell? Or how about when we blew away every class in the 1988 Quiz Bowl with our score of 21? Do you remember that special date that you went to the Junior-Senior prom with? Remember screaming until you were blue in the face at our pep assemblies?

Planning for our future was a big concern for many Juniors this year. Studying long hours for the college entrance exams and talking with Mr. Reeves about a college that would satisfy your every need. Overall, this year has been a special one for many, and along the way we have made friends that will always be remembered.

Our varsity football team's efforts and intensity at practice paid off. "We were picked to finish 6th in the Big Eight by the coaches poll, but we finished a strong 2nd. Our overall record was the best in five years at 6-3," said Coach Joe Wood. The highlight of the season was the win over our cross-town rivals Portage Central (12-7). This victory enabled the McCamley Field goal posts to become Brown and Orange for the year! Our 21 senior players provided positive attitudes and leadership and made for a successful season. Individual awards were earned by seniors Matt LaLonde "Southwestern Michigan Player of the Year" and Channel 41 1st team All-State John Albertson. These two as well as Seniors Mark Riccio, Jim Colwell, Brent Keller, and Mark Marshall made All-Conference and the G-K All-Star teams. GREAT JOB GUYS!!

A unique group of cheerleaders fires up the crowd.

Cheerleaders are essential for school spirit. Not only do they keep up the spirit of the teams, they also inspire the crowd. This year the cheerleading squads have a new coach - Ruth Kelemen - who was assisted by Julie Dailey.

The Varsity squad consisted of ten women, all Juniors. Out of the ten, nine were returning cheerleaders. The new cheerleader was Debbie Geiger who could be seen doing back flips with Kendall Gladding and Stephanie Dundon.

Cheerleading is a sport that involves skill, creativity, and enthusiasm, and this year's squads had it all.

Women's Basketball

"Passes" another season!!!

The 1987 Basketball season seemed to be a "close shave any way you look at it," says Coach Mike Mack. The Women's Varsity team played in two double overtime games as well as five games decided by three points or less in the final seconds of play. Despite the mediocre record of 8-12 this year's troops took aim at some perennial powerhouses in women's basketball and proved that they could play with anyone!!!

The Varsity basketball team had an exciting season this year. Mr. Jarrad said, "These kids have come a long way since they were Freshmen, and I believe the wins are the most for the school in conference since Benton Harbor and Battle Creek Central joined the Big Eight."

Although the team will be losing Seniors Andy Taylor, Tim Cekander, Tim Seelig, Scott Houldsworth, Mike Buss, Pete Jameyson, Jon Joffe and Brent Keller, next year's season promises to be filled with action and victories.

The J.V. and Freshmen teams had an exciting season, also. Each member gave 100% and with pride and practice, the teams made our school proud to be represented by them.

Men's Soccer

Captures the Big Eight

The Varsity soccer team had an outstanding season. The long hours of practicing made the men ready for the toughest opponents. Coach Dieter Valk predicted at the beginning of the season that, "Portage Northern's Soccer Team would be a strong contender, in the Big Eight. And strong we were by winning the Big Eight Championship".

The team was led by captains Brian Blackmer, Jim Hughes, and Matt McKenzie. Three players, Brian Blackmer, Corey Driver, and Chris Lentz, made the Big Eight Team and the

Greater Kalamazoo All-Stars. Corey Driver also made Honorable Mention All-State. Each individual member contributed to the team, but without the men working as a whole, they would not have ended up with the season record of 12-6-1.

The J.V. members had as great a season as the varsity. The team practiced with as much energy and determination as the varsity. Coached by Mr. Tamas, the team ended up with a season record of 12-1-5.

Missy Ray #2

In the past 5 years, Women's Varsity Soccer has never had a losing season. The 3-4 hour practices of running, dribbling, passing, shooting, and drilling contributed to their success. Coached by Joe Heywood, along with his assistants, Korie Bachleda, and Missy Crill, helped not only with the skills, but gave them confidence, determination, and pride. With the 16 returning players and some excellent new members, the team was very competitive in the league.

This year's team was not only terrific as a whole, but had some excellent individual members who made the Greater Kalamazoo All-Star and the All-Conference teams. Although the team will be losing some Seniors, including Donna Fritz who made the All-State team, the women should do just as well, if not better in upcoming years.

The Junior Varsity team, which only started two years ago, has definitely improved. As the women went into their season, they proved to everyone what they were made of. While practicing hard to develop better skills, these women showed great spirit. The team finished with a very successful season.

This year makes the fourteenth year of interscholastic Volleyball at Northern. The Huskies were coming off three straight State Championship seasons. Despite the graduation of six Seniors, which left the team very unexperienced at most positions, the team was once again the dominating Class A team in Southwestern Michigan. With Senior captains Jan Cottrell and Julie Hasper leading the Huskies, they had a record of sixty wins and eight losses. Highlights have been tournament victories at the Coca-Cola Classic, Pennfield tournament, Cereal City Classic and the Grand Blanc Classic. "Due to the Senior leadership and the improvement and effort from the Juniors and Sophomores, the tradition of excellence in the Huskie Volleyball program continues," said Coach Jack Magelssen, who was chosen this year's Michigan High School Coach of the Year for the second time.

Coach Art Missias led the 1988 Northern Hockey team to another outstanding season. With the help of Senior captains Jamie Downs, Ed Sylvestri and assistant captain Jeff Curley, the team managed to rank third in the league. This was not an easy task. The Huskies sacrificed much of their social lives to raise money for the team and practice their skills on ice. Some of these practices required the players to be at the arena as early as 5:00 am in the morning before school. The determination and motivation of these players paid off when the Huskies beat Portage Central and East Lansing to win regionals.

"The blend of veteran varsity letter winners, new talent, and hard work is what gave the team the terrific season," said Coach Rossio.

MEN'S BASEBALL

Swinging into a Great Season

With intense determination, Tim Seelig pitches a fast one.

Matt LaLonde gets ready to help his team score.

Getting ready to bat, Brent Keller concentrates on hitting a homerun.

Varsity baseball underwent another great season. The members practiced from late winter to early spring, which paid off during the season. The returning seniors Brent Keller, Jon Joffe, Matt LaLonde, Mark Marshall, Tim Seelig, Tim Cekander, and Chris Schreur, along with the newcomers contributed to the team in having a winning season. Each individual player assisted the team,

in his own way, to be a great contender in the Big Eight Conference.

Jayvee also had a fine season. Practicing with the same amount of spirit as the varsity members, helping the team swing into a terrific start. Dedication and determination were two words that typified the team. With the help of the coaches and the cheering of the fans, both teams worked harder to have a victorious season.

Getting ready to swing Greg Burkes concentrates on adding to his team's score.

Jon Joffe pitches with great strength.

MEN'S TRACK

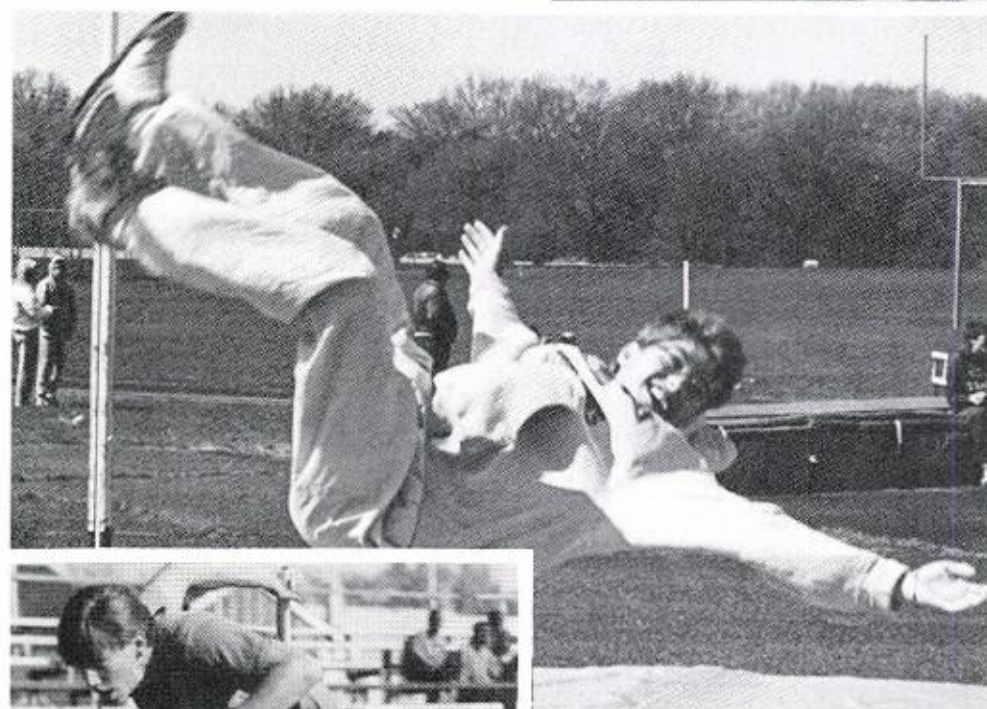

Running for the Win!

With hard work and determination, the Men's Track Team and coach, Bob Steward, worked for another winning season. The team had talented individuals but worked together as a team to win. Striving to be the best, everyone ran extremely hard during practices and even harder in the meets. This year's team went for nothing less than to be the number 1 track team.

1. Kevin Kilkelly confidently strides to the finish line. 2. Running fourth leg in the relay, Ray Burgess finishes first.

1. Andy McFinton - the happy high jumper. 2. Dave Edwards runs to victory.

With Head Coach Ray Van-De-Walker, and his wife, Susan Sairman, helping the hurdlers, and Steve Bryant working with the sprinters, the Huskies gave it their all. The Women gave 110% for both practices and meets. Most of last year's team returned with the exception of a few Seniors. But that didn't stop them from running as a team'

Like An Eagle

By Carl Strommen

Now is the time, to follow the wind, to walk alone.
And a star will show the way, above the cloud, beyond the sea.
And now is the time, now and farewell, and as we part

You taught me well,
You gave me strength,
You showed the way;
I'll never forget you.

Chorus:

Like an eagle I will soar above the clouds;
I will spread my wings and fly into the sun,
Like an eagle I will race above the stars;
I will fly to places yet unseen,
Go beyond my wildest dream,
Know that you are watching over me.

And all alone, I follow the stars above as my guide.
As my guide, I trust in you to show the way to me, beyond the sea
And now is the time, now and farewell, and as we part

You taught me well,
You gave me strength,
You showed the way;
I'll never forget you.

Chorus

I can fly with the eagle to the mountain high,
Race with the eagle to the rising sun,
And soar with the eagle so far beyond my dreams;
Like an eagle will fly.

Chorus

Like an eagle I will race above the clouds;
Like an eagle I will fly.

Seniors!

This is it! As unbelievable as it may seem, our high school years draw to a quick close. Stepping forward into the future, we remember the past and the fond memories we will always possess. Our beloved school, Portage Northern, will be missed; not Portage Northern, the building, but what this school is really made of, Portage Northern, the people. We will remember the special teachers who went out of their way to help us learn and understand as much as possible. However, we will miss spending day after day with our close friends the most. Through the good times and the bad times, the hard classes, the studying, and most of all the partying, our lives have been filled with each other. The new friendships we've discovered and the old friendships we've kept have made memories that will never be forgotten.

The accomplishments of the class of 1988 have been outstanding. We've shown our determination and class spirit as we participated in activities throughout the year. Through the lessons learned from our successes and failures, we will be that much stronger and the future will shine that much brighter. Don't think of Graduation as the end, think of it as the beginning of the rest of our lives. And remember . . . we're not just another graduation class, we're the class of 1988, and we're the best!!

During the new year at Portage Northern High School, we've experienced new teachers, and this year we are more than happy to welcome Dr. Howard who has been able to "go with the flow" as the new assistant principal. We would also like to congratulate Mr. Dorgan on his step up to principal. From the teaching and discipline that we receive from the faculty everyday, we grow to understand the reasons they do what they do so well.

CHEROKEE

RETIRING

Betty Frakes

A long, productive career will come to an end when Betty Frakes retires this June, and the Portage Schools will lose a very dedicated teacher.

Miss Frakes was raised in Kalamazoo and attended State High and Western Michigan University. After receiving her teaching degree in business education, she taught in Lowell, Michigan for one and a half years. Miss Frakes then moved to Richland where she taught for seven years, and in 1959 came to Portage, where she has taught for twenty years.

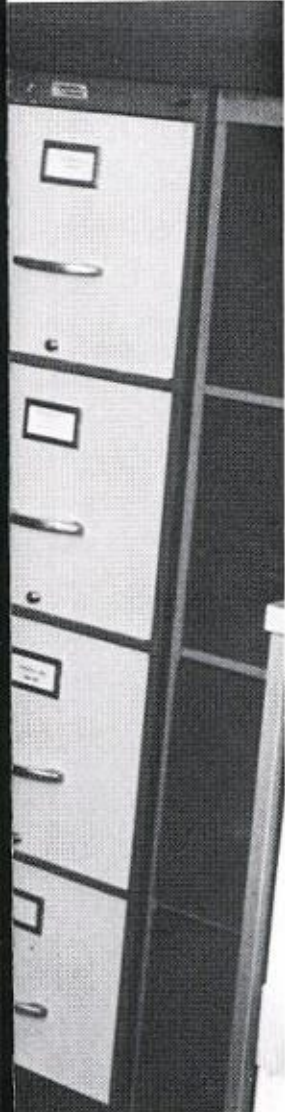

During her long career, Miss Frakes has taught nearly every course offered in the Business Department. She was instrumental in planning the programs for two new high schools, including Portage Northern. Always an innovator, Miss Frakes designed the Office Practice Concept at Richland High School and brought it to the Portage Schools.

While teaching in Lowell, Miss Frakes even managed to teach seven classes in a six hour day, juggling a beginning typing class and a Business English class at the same time. Through the years, her favorite classes to teach have been Accounting, Clerical Practice, and Typing.

Miss Frakes is looking forward to an active retirement which will include lots of traveling, gardening, painting, knitting, and catching up on her reading.

She says she won't miss the mounds of paperwork associated with teaching business classes, but she will miss the students. Her greatest delight in teaching has been helping her students develop skills they will use all their lives.

Miss Frakes has touched hundreds of lives in her long career, and we will miss her.

Don Dow

In June Mr. Don Dow will be ending a teaching career of twenty years at Northern High School.

Mr. Dow was born in New York, raised in Indiana, and attended Carthage College to obtain his BA. For his MA degree, Mr. Dow attended Western Michigan University, and studied English and Industrial Arts.

Mr. Dow's teaching here at Northern began in the Industrial Arts Department. He then moved into the English Department with his teaching of Practical English Classes. Mr. Dow became the Director of the Practical Training program here at Northern, a job which required many extra hours. One of the features of Mr. Dow's PT classes was the use of a small printing press. The students became so interested in printing, that Mr. Dow developed a Graphic Arts program which was open to all students. An after school club called Student Prints developed in addition to the classes for students interested in printing.

The students are what Mr. Dow will miss the most when he retires; he won't miss the paper work. Mr. Dow's wife Hilda, a teacher at Haverhill School, is also retiring this June, and they plan to spend their time traveling, gardening, and enjoying life. The Dows have two children, Beverly, a biology teacher in Wisconsin, and Douglas, who works with computer software in Chicago.

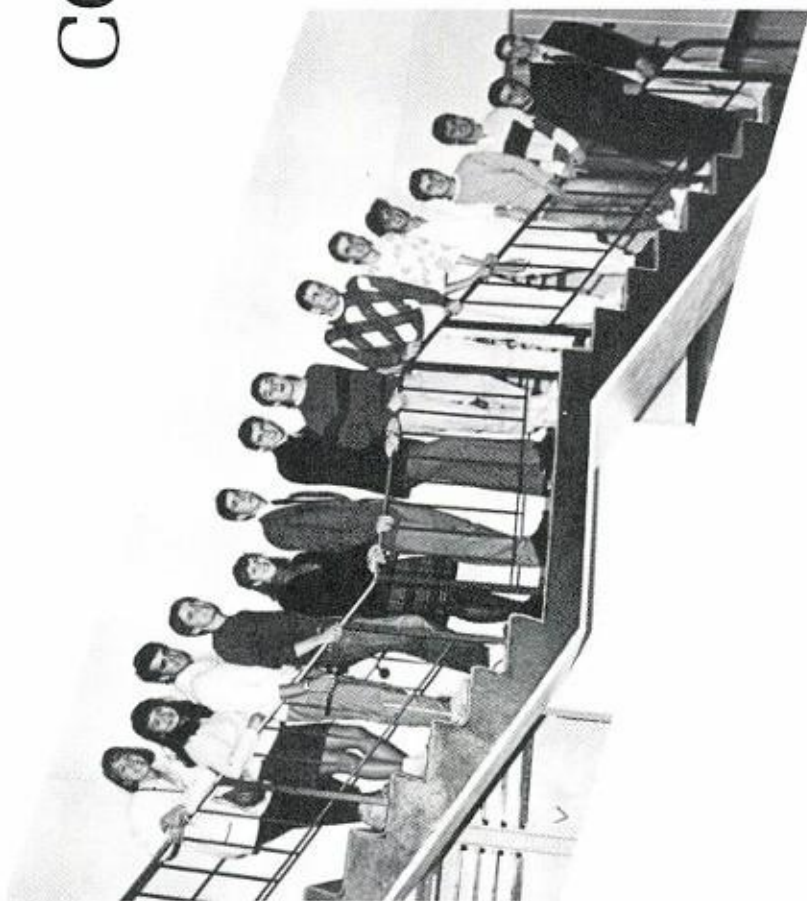

In twenty years of teaching, Mr. Dow has inspired and encouraged many students and he will be missed by many.

As the year progressed, all of us on the 1988 Legend Staff found ourselves learning more and more about yearbook production and our school. With the hard work and dedication of these members, we have been able to overcome our brick walls and we have produced a yearbook that we can be proud of. In doing this we were not alone. Many Changes came about this year and our new advisor, Mrs. Carol Oakleaf, organized, instructed, and learned with us as we found out how much work had to be done. Along with Mrs. Oakleaf, I would like to thank Mr. Jack Sterner, Mrs. Linda Trepianier, Mr. Jerry Spade and the Kalamazoo Gazette for catching all of our special moments on film.

The Staff worked during the summer and stayed after school during the year to maintain compliance with the deadlines. D & D Photo also deserves a special

thanks for developing pictures on short notice. Powell Studios instructed us on how to take good pictures and supplied us with free film. Last but not least, I would like to thank Dave Rieck, our Walsworth Publishing representative, for checking our page layouts. I would also like to thank Neil Reeder for his cover design.

Besides working hard to complete the 1988 Legend, we also tried new things. We sold one-thousand books in two days and we also added spot color to the Senior section and full color to the Opening and Student Life sections. All in all, the year has been busy, enlightening and surprising to everyone who worked long hours on the yearbook. With our book completed, I hope that you will enjoy reading it today and reminiscing about it tomorrow.
